Vote No. 142: Esquimalt, B.C., Dry Dock under Construction: Compensation to Contractors

AUDITOR GENERAL'S OFFICE, November 30, 1923.

SIR, — Referring to your application of the 28th instant for $62,345.57 in favour of P. Lyall and Sons, being compensation for suspension of their contract for the construction of a Dry-dock at Esquimalt, I am of opinion that under the conditions mentioned in the Order in Council — P.C. 2264 — of November 13, 1923, I may not certify to the payment of the amount asked for until Parliamentary provisions has been obtained in the form of a special item in the Supply Bill to cover the amount in question.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department.

DEPARTMENT OF PUBLIC WORKS, December 3, 1923.

SIR, — Referring to your letter of the 30th ultimo, relative to application of November 28th for payment of $62,345.57 in favour of the P. Lyall and Sons Construction Company, being compensation for suspension of their contract for the construction of the dry dock at Esquimalt, B.C., I note you do not feel like certifying to the payment of this amount until Parliamentary provision has been obtained in the form of a special item in the Supply Bill.

In that connection, I would point out that there would seem to be no substantial objection to paying this amount from the vote in the current year's supply bill, reading, —

Item 142

Harbours and Rivers, Esquimalt, B.C., dry dock under construction................$ 1,500,000 00,

for the reason that, when this claim came up for discussion in connection with that vote Parliament was informed at that time of the situation, and the expectation was that, on reaching a definite settlement, payment would be made from that appropriation.

I would refer you to the discussion on page 2777 of unrevised Hansard of May 11th, 1923, when Parliament was informed by the Minister of Public Works that — " During the suspension of work, there were certain operations that had to be continued of necessity, and expenditures had to be made in connection with them. These expenditures were necessary for keeping the pumps going, taking care of the machinery, plant, equipment, etc., for which the contractors have made a claim. The matter is under consideration ".

On being queried as to the amount of the claim, the Minister of Public Works gave the information that it amounted to $69,600.00, whereupon he was asked whether that was the only item that the Government would be called upon to provide for on account of the suspension of work, which query was answered in the affirmative.

After a thorough investigation, you will note, the Order in Council (P.C. 2264) of November 13th, 1923, authorizes payment of an amount of some $7,000.00 less than the sum mentioned to Parliament.

It seems to me, therefore, that Parliament was fully informed as to the Government's intention with respect to this matter and that, having kept well within the amount mentioned, there is no additional information the Department can furnish Parliament in connection with the matter and, accordingly, certification of the payment should not be withheld.

If you will be good enough to refer to the records, you will find that payment of claims similar to this have been made from regular appropriations for the works concerned, in the case of:—

> Quebec, St. Charles River, Messrs. Quinlan and Robertson, contractors; Toronto Harbour Works,—The Canadian Stewart Company, contractors; The Parliament Buildings, Ottawa, with respect to payment of additional compensation to the Architects and Contractors.

J. B. HUNTER, *D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, December 11, 1923.

SIR,—I beg to acknowledge the receipt of your letter of the 3rd instant with reference to your application of November 28th last for the issue of a cheque in favour of P. Lyall and Sons Construction Company for $62,345.57, being an amount authorized by the Governor in Council as compensation for expenditure made by the Company during the suspension of their contract for a dry dock at Esquimalt during a period of 98 days.

In reply to my letter of the 30th ultimo, you point out there would seem to be no substantial objection to paying the amount asked for from the vote in the current year's supply Bill—$1,500,000, Esquimalt dry dock under construction.

It seems to me the Parliamentary provision for Esquimalt dry dock construction is not applicable to the claim for compensation authorized by Order in Council—P.C. 2264—for the reason that it is not a legal claim under the Company's contract.

In this connection, I would call your attention to Clause 46 of the contract, as quoted in Order in Council, P.C. 2264, which provides that in no event shall the contractor have or make any claim on His Majesty for any damage or compensation by reason of suspension of payment or by reason of any delay or loss caused by the stoppage of the work.

The extracts from the late chief engineer's report, quoted in the Order in Council respecting the claim for compensation, seem to me to indicate that in his opinion the Company's claim should be regarded as a matter of grace rather than a legal obligation on the Government.

I am inclined to agree with this view and consequently cannot see my way clear to certify that the desired cheque may issue for the reason that there is no direct Parliamentary provision to which the amount asked for may be charged.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department.

AUDITOR GENERAL'S OFFICE March 26, 1924.

SIR, — I am returning application No. 406 for $62,345.57 in favour of the P. Lyall & Sons Construction Company and chargeable to Esquimalt Dry Dock under construction.

I note an item (No. 140) in the Main Estimates for 1924-25 — " Esquimalt, B.C., in full and final settlement of claim of P. Lyall & Sons Construction Company, etc., $62,345.57 ", which, I presume, is intended to cover this account.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department.

Vote No. 511: Stewart, B.C., Contribution towards Wharf Approach

AUDITOR GENERAL'S OFFICE, March 12, 1924.

SIR, — I beg to acknowledge receipt of your application No. 634, in favour of the Government of the Province of British Columbia for $15,000, being a contribution towards the cost of the approach to the wharf at Stewart, B.C. and charged to the appropriation No. 511 " Stewart — contribution towards wharf approach."

I am of opinion that a payment of this nature for which there is a specific Parliamentary Vote, should be authorized by the Governor General in Council.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works.

DEPARTMENT OF PUBLIC WORKS, March 14, 1924.

SIR, — I am in receipt of your favour of the 12th instant, in which you state you are of opinion that an Order in Council should be secured authorizing payment of $15,000 to the Government of the Province of British Columbia as the Dominion Government contribution to the cost of approach to the wharf at Stewart, B.C.

Will you please give me some reasons upon which your opinion is based as, otherwise, it is impossible to understand how you come to such a conclusion.

As you are aware, Parliamentary authority is the highest that can be obtained for any expenditure. Therefore, when Parliament has definitely and specifically voted an amount, especially if that amount is to be paid to another Government, it is not clear why a lesser authority, namely — Council, should be asked to sanction what the greater authority authorized. I can quite understand your taking the position, in case Council passed an Order authorizing an expenditure with which you did not agree on the facts of the case, that such expenditure should be authorized by Parliament and request a special vote to be taken; but this is exactly the reverse of that proposition. Parliament has, by a special vote, authorized the expenditure; and now you ask approval by Council. Council has already approved when it authorized the inclusion of the special vote in the Estimates.

The suggestion, therefore, that an Order in Council be taken under the circumstances, would seem to be a work of supererogation.

I shall be obliged if you will give me the reasons which let you come to the opinion that such a step is necessary.

J. B. HUNTER, *D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, March 19, 1924.

SIR, — I beg to acknowledge the receipt of your letter of the 14th instant asking for my reasons for requiring an Order in Council directing that a cheque of $15,000 may issue in favour of the Government of British Columbia in view of the fact that the amount asked for has been specifically provided in the Supply Bill of the current fiscal year as follows: —

511 Stewart — Contribution towards wharf approach.

This amount as you are aware has been voted to the Crown not to the Government of British Columbia. It has been the practice, so far as I know that grants of this nature are released by Order in Council. You are aware, no doubt, that the increases of salary to the Deputy Ministers in the Supply Bill though voted in the name of each Minister entitled to the increase was nevertheless not paid until authorized by the Governor in Council.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department.

DEPARTMENT OF PUBLIC WORKS, March 21, 1924.

SIR, — Yours of the 19th instant received, in further reference to your request that an Order in Council be taken authorizing payment of $15,000 to the Government of British Columbia, in connection with contribution towards wharf approach at Stewart, B.C.

I was not aware that it had been the practice where there were special votes in connection with works to take special Orders in Council unless the Audit Office was in disagreement as to the propriety of making the payment and desired to bring the responsibility more definitely and conclusively home to the Government by having the proposal embodied in and authorized by an Order in Council.

So far as I am aware, no exception has been taken by the Audit Office to the payment in question; and, therefore, your request would seem to result in unnecessarily adding to the very large number of matters with which Council perforce must deal, which I do not suppose it is the desire and intention of the Audit Office to do.

I assume, however, from your letter that you still insist upon having an Order in Council taken; and am having the necessary recommendation prepared for the Minister's signature accordingly.

J. B. HUNTER, *D.M.*

The Auditor General.

Department of Public Works, April 17, 1924.

Sir, — With further reference to my letter of 21st March relative to payment of $15,000 to the Government of British Columbia in connection with contribution towards wharf approach at Stewart, B.C., I now enclose copy of Order in Council which has just been received granting authority for the payment mentioned and would be obliged if you would kindly have the necessary cheque issued in response to the application of the Department No. 634.

J. B. HUNTER, *D.M.*

The Auditor General.

Vote No. 162: Yukon River and Tributaries: Grant to the British Yukon Navigation Co., Ltd.

Auditor General's Office, February 7, 1924.

Dear Sir, — I enclose copies of two Orders in Council — P.C. 2110 of October 24, 1923, and P.C. 111 of January 23, 1924 — the first approving of plans submitted by the British Yukon Navigation Company, Limited, for a dam to be constructed on the Lewes River, seven miles below Marsh Lake in the Yukon Territory, and the other authorizing a grant of $5,000 in favour of the contractors as an aid to the construction of the dam in question. It is proposed to charge this grant to a provision in the Supply Bill of the current fiscal year for Yukon River and Tributaries, Improvements — $7,100.

The expenditure under grants of this nature, unless specially ordered, are not submitted to the Auditor General for audit in detail and I shall be obliged if you will let me know if, in your opinion, it is within the competency of the Governor in Council to authorize such grants from votes for general purposes.

It seems to me that Parliament alone is competent to do so by means of specific provision in the Supply Bill.

The grant in the present case is not of legal obligation on the Crown and may be regarded as a gift to the contractors.

Yours truly,

GEO. GONTHIER, *A.G.*

The Deputy Minister, Justice Department.

Department of Justice, February 28, 1924.

Dear Sir, — Referring to your letter of the 7th instant, in which you ask to be advised whether it is within the competency of the Governor in council to authorize a grant of $5,000.00 to the British Yukon Navigation Company, Limited, out of the vote for "Yukon River and tributaries — Improvements" as an aid to the construction of a dam on the Lewes River in the Yukon Territory, I may say that in 1897 Sir Oliver Mowat, then Minister of Justice, expressed his opinion to the Treasury Board to the effect that the Governor in Council might, subject to the answerability of the Ministers to Parliament,

authorize payment to be made for purposes provided for by general vote although no legal liability existed for the payment, and that opinion has afforded the foundation for advice by this Department in many similar cases.

Yours truly,

Sgd. E. L. NEWCOMBE, *D.M. of Justice.*

The Auditor General.

Vote No. 164: Dredging Maritime Provinces: Medical Services

Auditor General's Office, February 22, 1924.

Sir, — I beg to call your attention to a payment of $926.58 made to Clifford A. Bell, Engineer of Tug *Rona,* for medical services rendered necessary on account of an accident on board the tug on May 1, 1920.

This account has been taxed by the chairman of the Workmen's Compensation Board of New Brunswick.

Please let me know your reasons for not having sent this claim to the Department of Railways and Canals for payment under the Workmen's Compensation Act.

I am, Sir, your obedient servant,

Wm. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department.

Department of Public Works, February 26, 1924.

Sir, — I am in receipt of your letter of the 22nd instant concerning payment of $962.58 made to Clifford A. Bell, Engineer of Tug *Rona,* for medical services rendered necessary on account of accident on board the tug, on May 1, 1920, and wish to advise you that the usual practice was followed in this case.

The accident happened in Prince Edward Island where no Workmen's Compensation Board exists. The account for medical services was submitted to the Workmen's Compensation Board of New Brunswick for an opinion. It was taxed by that Board at the amount above stated as being correct, and upon instructions from the Chief Engineer, account was paid through our New Brunswick Agency.

In provinces where a Workmen's Compensation Board exists, in case of accident to our employees, this Department follows the practice of the Provincial Board and pays direct from this Department, after approval by the Board, all accounts for medical services, surgeon's fees and hospital charges. Subsistence allowances paid by the Board itself are subject to verification and audit by officers of Railways and Canals before final settlement with Finance Department at Ottawa.

Crédit n° 142: Bassin de radoub en construction à Esquimalt, C.B.; Compensation aux entrepreneurs

Bureau de l'Auditeur Général, 30 novembre, 1923.

Monsieur, — Relativement à votre requête du 28 courant demandant le paiement de $62,345.57 à P. Lyall and Sons, comme dédommagement pour la suspension des travaux de construction au bassin de radoub d'Esquimalt, je suis d'avis que d'après les conditions stipulées dans l'arrêté en Conseil — C.P. 2264 — je ne peux pas autoriser le paiement de la somme demandée jusqu'à ce que le Parlement ait inclus un crédit spécial dans la loi des subsides pour couvrir la somme en question.

Je suis, monsieur, votre obéissant serviteur,

Wm. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère des Travaux publics.

Ministère des Travaux publics, 3 décembre 1923.

Monsieur, — D'après votre lettre du 30 novembre dernier au sujet de la requête du 28 de ce mois demandant le paiement de $62,345.57 à P. Lyall and Sons Construction Company, comme dédommagement pour la suspension des travaux au bassin de radoub d'Esquimalt, je constate que vous ne jugez pas à propos d'autoriser le paiement de la somme demandée avant que le Parlement ait voté un crédit spécial à cette fin.

A ce sujet je vous ferai remarquer qu'il ne semble pas y avoir de raison valable pour empêcher le paiement de cette somme à même le crédit compris dans la loi des subsides de l'année courante, qui se lit comme suit:

Crédit n° 142

Ports et rivières, Esquimalt, C.-B., bassin de radoub en construction........................$ 1,500,000.

Il y eut discussion sur cette réclamation lors de l'étude de ce crédit et on renseigna alors le Parlement sur la question, et il semblait entendu que l'on ferait ce paiement à même ce crédit lorsqu'on en serait venu à une entente.

Je vous renverrai à la discussion notée à la page 2777 de l'édition non revisée du Hansard, 11 mai 1923, où vous verrez que le ministre des Travaux publics apprend à la Chambre que — " Pendant la suspension des travaux, il y a certaines opérations qui doivent nécessairement se poursuivre et qui comportent des dépenses. Il est nécessaire de maintenir les pompes en fonctionnement, de prendre soin des machines, de l'installation, de l'outillage, etc., et les entrepreneurs ont fait une réclamation à ce sujet. La question est à l'étude ".

On demanda au Ministre des Travaux publics de dire quel était le montant de cette réclamation, et il répondit qu'elle se chiffrait à $69,600.66; on lui demanda alors si c'était la seule somme que le gouvernement serait appelé à verser par suite de la suspension des travaux, et il répondit dans l'affirmative.

Vous constaterez après un examen minutieux de l'arrêté en Conseil (C.P. 2264) du 13 novembre 1923, qu'il autorise le paiement d'une somme inférieure par $7,000 à celle mentionnée en Chambre.

Il semble donc que le Parlement a été bien renseigné sur les intentions du Gouvernement à ce sujet et, étant resté dans les limites de la somme mentionnée le ministère ne peut pas fournir d'autres renseignements sur la question; en conséquence, on ne devrait pas refuser d'autoriser ce paiement.

Si vous consultez les archives, vous verrez que l'on a réglé des réclamations semblables à même les crédits réguliers votés pour les travaux en question, comme dans le cas de:

Québec, rivière Saint-Charles, MM. Quinlan et Robertson, entrepreneurs. Travaux dans le port de Toronto, — The Canadian Stewart Company, entrepreneurs. Les édifices du Parlement à Ottawa, concernant le paiement d'une compensation additionnelle aux architectes et aux entrepreneurs.

J. B. HUNTER, *S.-M.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, 11 decembre, 1923.

MONSIEUR, — J'accuse réception de votre lettre du 3 courant concernant votre requête du 28 novembre dernier demandant l'émission d'un chèque de $62,345.57 en faveur de P. Lyall and Sons Construction Company; somme dont le paiement avait été autorisé par le Gouverneur en Conseil comme dédommagement pour les dépenses encourues par la compagnie pendant la suspension des travaux au bassin de radoub d'Esquimalt, soit pendant une période de 98 jours.

En réponse à ma lettre du 30 novembre, vous me faites remarquer qu'il ne semble pas y avoir de raison valable pour empêcher le paiement de cette somme à même le crédit compris dans la loi des subsides de l'année courante,—Bassin de rabout d'Esquimalt en construction, $1,500,000.

Il me semble que le crédit voté pour la construction du bassin de radoub d'Esquimalt ne peut pas être affecté au paiement d'une compensation autorisée par l'arrêté en Conseil — C.P. 2264 — pour la bonne raison que le contrat de la compagnie ne justifie pas cette réclamation en loi.

A ce sujet j'attirerai votre attention sur la clause 46 du contrat, telle que citée dans l'arrêté en Conseil, C.P. 2264, qui stipule que l'entrepreneur ne devra dans aucun cas recevoir ou demander une compensation de Sa Majesté par suite de suspension de paiements ou à cause de retards ou de pertes occasionnés par la cessation des travaux.

Les extraits tirés du rapport de l'ancien ingénieur en chef, qui sont cités dans l'arrêté en Conseil au sujet de la demande de compensation, me semblent indiquer qu'à son avis l'on doit considérer la réclamation de la compagnie comme une faveur à lui accorder plutôt que comme une obligation légale de la part du gouvernement.

Je suis porté à me ranger de cet avis et en conséquence je ne vois pas comment je pourrais autoriser l'émission du chèque désiré, pour la bonne raison qu'il n'existe pas de crédit parlementaire sur lequel on pourrait l'imputer.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère des Travaux publics.

BUREAU DE L'AUDITEUR GÉNÉRAL, 26 mars 1924.

MONSIEUR,—Je renvoie la demande de paiement n° 406 au montant de $62,345.57, en faveur de la *P. Lyall & Sons Construction Company,* et imputable sur le compte du bassin de redoub d'Esquimalt, en voie de construction.

Dans le budget principal de 1924-25, je remarque un crédit (n° 140) — " Esquimalt, C.-B. En règlement complet et final de toute réclamation de la *P. Lyall & Sons Construction Company,* etc., $62,345.57 ", qui, je suppose, doit couvrir ce compte.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre des Travaux publics.

Crédit n° 511: Stewart, C.-B., contribution aux approches du quai

BUREAU DE L'AUDITEUR GÉNÉRAL, 12 mars 1924.

MONSIEUR, — Je dois vous accuser réception de votre demande de paiement n° 634 au montant de $15,000 en faveur du gouvernement de la Colombie-Britannique, comme contribution au coût des approches du quai de Stewart, C.-B., et imputable sur le crédit n° 511, " Stewart—Contribution aux approches du quai ".

Je suis d'avis qu'un paiement de cette nature, pour lequel vous avez un crédit parlementaire spécifique, doit être autorisé par le Gouverneur général en Conseil.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre des Travaux publics.

MINISTÈRE DES TRAVAUX PUBLICS, 14 mars 1924.

MONSIEUR, — J'ai reçu votre lettre du 12 courant dans laquelle vous vous déclarez d'avis qu'il doit être nécessaire d'obtenir un arrêté en Conseil autorisant le paiement de la somme de $15,000 au gouvernement de la Colombie-Britannique comme contribution du gouvernement fédéral au coût des approches du quai de Stewart, C.-B.

Veuillez avoir l'obligeance de donner les raisons sur lesquelles vous basez votre opinion, car il nous semble impossible de comprendre comment vous en arrivez à cette conclusion.

Comme vous le savez, l'autorité du Parlement est l'autorité la plus haute sur la question des crédits. Par conséquent, lorsque le Parlement a définitivement et spécifiquement voté un montant d'argent, surtout si ce montant doit être payé à un autre gouvernement, il est difficile de comprendre pourquoi une autorité secondaire, à savoir, le Conseil des ministres, serait appelée à sanctionner ce qu'a autorisé l'autorité supérieure. Je comprendrais votre position si le Conseil adoptait un arrêté autorisant une dépense d'argent dans un cas où vous n'admettriez pas les faits; vous pourriez alors exiger l'autorisation du Parlement et demander qu'un crédit spécial soit voté; mais c'est exactement le contraire que nous avons ici. Le Parlement, par un crédit spécial, a autorisé une dépense d'argent; et maintenant vous demandez l'approbation du Conseil. Le Conseil a déjà donné son approbation lorsqu'il a autorisé l'inclusion de ce crédit spécial dans le budget.

La demande d'un arrêté en Conseil, dans ce cas, semble, par conséquent, être œuvre de surérogation.

Je vous serais bien obligé si vous vouliez me donner les raisons qui vous portent à croire que cette mesure est nécessaire.

J. B. HUNTER, *S.-M.*

A l'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, 19 mars 1924.

MONSIEUR, — Je vous accuse réception de votre lettre du 14 courant dans laquelle vous demandez les raisons pour lesquelles j'exige qu'un arrêté en Conseil, autorisant l'émission d'un chèque de $15,000 en faveur du gouvernement de la Colombie-Britannique, soit adopté, vu le fait que le montant demandé a été spécifiquement voté dans le bill des subsides de l'exercice courant, comme suit:

511 Stewart — Contribution aux approches du quai.

Ce montant, comme vous le savez, a été accordé à la Couronne et non au gouvernement de la Colombie-Britannique. D'après mon expérience, les octrois de ce genre ont toujours été payés par arrêté en Conseil. Vous vous rappellerez, j'en suis sûr, que les augmentations de salaires des sous-ministres incluses dans le bill des subsides, bien que votées au nom de chaque sous-ministre qui avait droit à une augmentation, n'ont cependant pu être payées avant que le Gouverneur en Conseil n'en donne l'autorisation.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

A l'Auditeur général,

MINISTÈRE DES TRAVAUX PUBLICS, 21 mars 1924.

MONSIEUR, — J'ai reçu votre honorée du 19 courant mentionnant de nouveau votre demande d'un arrêté en Counseil pour autoriser le paiement de $15,000 au gouvernement de la Colombie-Britannique relativement aux travaux d'approche du quai de Stewart, C.-B.

Je n'ai jamais connu la pratique d'avoir des arrêtés spéciaux en Conseil dans le cas de crédits spéciaux, à moins qu'il n'y ait divergence d'opinion avec le bureau de l'Auditeur et que celui-ci ne mette en doute l'à-propos du paiement et ne veuille établir plus explicitement la responsabilité du gouvernement en faisant entrer et autoriser une proposition dans un arrêté en Conseil.

Aucune objection que je connaisse n'a été portée par le bureau de l'Auditeur au paiement en question; et par conséquent votre demande ne pourrait avoir pour résultat que d'ajouter sans nécessité au volume déjà très considérable des questions que le Conseil doit régler, état de choses que le bureau de l'Auditeur ne peut désirer, du moins je ne suppose pas qu'il en ait l'intention.

Cependant, d'après votre lettre, je vois que vous insistez à avoir un arrêté en Conseil, et je fais préparer les recommandations nécessaires afin de les faire signer par le ministre.

MINISTÈRE DES TRAVAUX PUBLICS, 17 avril 1924.

MONSIEUR, — Pour donner suite à ma lettre du 21 mars relative au paiement de $15,000 au gouvernement de la Colombie-Britannique comme contribution aux travaux d'approche du quai de Stewart, C.-B., je vous envoie ci-inclus copie d'un arrêté en Conseil, que je viens de recevoir, autorisant le paiement mentionné, et je vous serais reconnaissant de bien vouloir faire émettre le chèque correspondant à la demande n° 634 du ministère.

Crédit n° 162: Fleuve Yukon et tributaires: Allocation à la British Yukon Navigation Co., Ltd.

BUREAU DE L'AUDITEUR GÉNÉRAL, 7 février 1924.

CHER MONSIEUR, — Je vous envoie ci-inclus copies de deux arrêtés en Conseil, C.P. 2110, du 24 octobre 1923, et C.P. 111, du 23 janvier 1924, le premier approuvant les plans soumis par la *British Yukon Navigation Co., Ltd.*, à propos d'un barrage qui doit être construit sur la rivière Lewes, à sept milles en aval du lac Marsh dans le territoire du Yukon, et l'autre autorisant une allocation de $5,000 en faveur des entrepreneurs à titre de subvention pour la construction de ce barrage. Il est proposé d'imputer cette allocation sur la rubrique: fleuve Yukon et tributaires, améliorations—$7,100, dans le bill des subsides de l'année courante.

Les dépenses provenant d'allocations de ce genre, à moins d'un ordre spécial, ne tombent pas sous la juridiction de l'Auditeur général, et je vous serais reconnaissant de me faire connaître si, à votre avis, le Gouverneur en Conseil a le pouvoir d'autoriser la distribution d'allocations de ce genre prises sur les crédits votés pour fins générales.

Il me semble que le Parlement seul a le pouvoir d'en agir ainsi en donnant une désignation spécifique dans le bill des subsides.

Dans le présent cas, cette allocation n'est pas accordée en vertu d'une obligation de la part de la Couronne, et peut être considérée comme un don en faveur des entrepreneurs.

Bien à vous,

GEO. GONTHIER, *A.G.*

Au sous-ministre de la Justice.

MINISTÈRE DE LA JUSTICE, 28 février 1924.

CHER MONSIEUR, — En réponse à votre honorée du 7 courant, dans laquelle vous demandez si le Gouverneur en Conseil a le pouvoir d'autoriser une allocation de $5,000 en faveur de la *British Navigation Co., Ltd.*, à prendre sur le crédit " Fleuve Yukon et tributaires, améliorations " la tittre de subvention pour la construction d'un barrage sur la rivière Lewes dans le territoire du Yukon, je puis dire qu'en 1917, sir Oliver Mowat, alors ministre de la Justice, a exprimé devant la Trésorerie l'opinion que le Gouverneur en Conseil, couvert par la responsabilité des ministres envers le Parlement, peut autoriser un paiement, au sujet duquel il n'existe aucune obligation légale, sur les montant votés pour des fins générales, et cette opinion a depuis servi de base aux avis donnés par ce ministère dans des cas semblables.

Bien à vous,

E. L. NEWCOMBE, *S.-M. de la Justice.*

BUREAU DE L'AUDITEUR GÉNÉRAL, 22 février 1924.

MONSIEUR, — Je désire attirer votre attention sur un paiement de $926.58 en faveur de Clifford A. Bell, mécanicien du remorqueur *Rona* pour soins médicaux nécessités par un accident à bord du remorqueur le 1er mai 1920.

Cette note a été préparée par le président du Bureau de compensation ouvrière du Nouveau-Brunswick.

Veuillez me faire connaître les raisons pour lesquelles cette réclamation n'a pas été envoyée au ministère des Chemins de fer et Canaux, afin qu'elle fût payée sous l'empire de la Loi de compensation ouvrière.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre des Travaux publics.

MINISTÈRE DES TRAVAUX PUBLICS, le 26 février 1924.

MONSIEUR, — J'ai reçu votre lettre du 22 courant, relativement à un paiement de $962.58, fait à Clifford A. Bell, mécanicien sur le remorqueur *Rona,* pour les services médicaux qu'il a reçus à la suite d'un accident subi à bord du remorqueur, le 1er mai 1920 et je dois vous informer que nous avons suivi la coutume établie.

L'accident se produisit à l'île du Prince-Edouard, où il n'y a pas de Commission des accidents du travail. Le compte de frais médicaux fut présenté à la Commission des accidents du travail du Nouveau-Brunswick pour qu'elle exprimât son opinion. Cette commission déclara le compte en ordre et notre ingénieur en chef donna instruction de le payer par l'entremise de l'agence des travaux publics au Nouveau-Brunswick.

Dans les provinces où il y a une Commission des accidents du travail, lorsqu'il survient des accidents à nos ouvriers, nous consultons la Commission provinciale et nous payons directement tous les frais médicaux, les services des chirurgiens et les frais d'hôpitaux approuvés par la Commission. Les indemnités de subsistance payées par la Commission elle-même sont soumises à la vérification des fonctionnaires du ministère des Chemins de fer et Canaux, avant le règlement définitif par le ministère des Finances, à Ottawa.

Vote 118—Welland Ship Canal: Construction: Extension of time for payment of certain plant and stores taken over by contractors

Auditor General's Office, January 12, 1924.

Dear Sir, — I enclose a copy of an Order in Council, P.C. 15, of January 5th, 1924, under which a provision in the contract of June 27, 1922 with P. Lyall and Sons Construction Company for the payment of plant and stores taken over by the Company from the Government at the works on Welland Canal has been modified to the extent of a suspension of the monthly deductions provided in the contract, for a period of ten months.

As this modification will involve a loss to the Government due to deferred payments, I am not satisfied that I am in a position to pass progress payments in accordance with the provisions of the Order in Council, and I shall be obliged if you let me know if, in your opinion, it is competent to the Governor in Council to modify the provision of the contract in respect of the monthly deductions stipulated therein.

The Section of the contract under which these deductions are provided for is as follows: —

> "It is also hereby understood and agreed that before or at the time of the execution of the contract, the Contractor shall pay to the Department, in addition to the $850,000.00 deposited with his tender, $450,000.00 on account of plant and stores; and that as the work proceeds there shall be deducted from the net amount of each and every monthly progress and final estimate (after deduction of 10 per cent drawback) not less than $45,000, except when the said net amount of such estimate is less than $90,000, in which case the deduction shall be 50 per cent of the net amount of the estimate. When the net amount of such estimate is in excess of $300,000, there shall be deducted on account of payment for plant and stores not less than 15 per cent of said net amount. These deductions shall be made without interruption until the Department is paid in full for the plant and stores turned over to the Contractor on the execution of the Contract."

As I have a claim from the contractors before me at present, I shall be obliged if you can see your way to send me your opinion at an early day.

Yours truly

Wm. KEARNS, *Asst. A.G.*

The Deputy Minister, Justice Dept.

Department of Justice, January 14, 1924.

Dear Sir, — I have considered the question raised in your letter of the 12th instant, as to whether it is competent to the Governor in Council to modify, in the manner indicated, the provisions of the contract with P. Lyall and Sons Construction Company for sections Nos. 3 and 4 of the Welland Ship Canal in respect of the monthly deductions stipulated therein on account of purchase price of plant, and am of opinion that the question is to be answered in the affirmative. The modification to which you refer amounts merely to an extension of time for payment of certain plant taken over by the contractors from the Government, and I am of opinion that the Governor in Council has power to do this.

Yours truly,

E. L. NEWCOMBE, *D.M. of Justice.*

The Assistant Auditor General.

Extra Work Orders *re* Contracts to be given in writing by the Chief Engineer

AUDITOR GENERAL'S OFFICE, March 19, 1924.

SIR, — Let me call your attention to Section 7 of the form of agreement used in connection with contracts for the construction of the Welland Ship Canal which reads in part as follows: —

> " The Chief Engineer may, in writing, at any time before the final acceptance of the works, order any additional work, or materials or things, not covered by this contract to be done or provided, or the whole or any portion of the works to be dispensed with, or any changes to be made which he may deem expedient, etc."

I have to ask that in future when accounts for extra work, not covered by the contract, are included in the regular progress estimates, a copy of the written order of the Chief Engineer authorizing such additional work be attached to the application for payment in each case.

This applies, not only to work being done on the construction of the Welland Ship Canal, but also to contract work on all canals generally.

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Railways and Canals Department.

Vote 358—Trent Canal: Payments for Paving Street in Front of Government Property

AUDITOR GENERAL'S OFFICE, June 18, 1924.

SIR, — I am in receipt of an Order in Council, P.C. 969, dated June 14th, 1924, recommending that authority be given for the payment to the Corporation of the City of Peterborough of $1,163.53, being the estimated cost of the construction of that part of a pavement on George Street in the City of Peterborough in front of the George Street Wharf which is said to be under the control of the Department of Railways and Canals.

The Order in Council states that while there is no legal obligation on the part of the Department of Railways and Canals to pay the assessment in question there are precedents for doing so.

I shall be obliged if you will furnish me with a statement setting forth in detail the precedents referred to. Also, I would like an explanation of the exact meaning implied in the words " under the control of the Department of Railways and Canals " used in reference to the George Street Wharf.

In my opinion, if, as stated in the Order in Council, there is no legal obligation on the Government to pay the claim in question any payment in connection therewith should be specially provided in the Supply Bill.

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Railways and Canals Department, Ottawa.

DEPARTMENT OF RAILWAYS AND CANALS, June 20, 1924.

SIR, — I have to acknowledge the receipt of your letter of the 18th of June, instant, in which you ask to be furnished with certain information relating to the Order in Council of the 14th instant, P.C. 969, authorizing the payment to the Corporation of the City of Peterborough of the sum of $1,163.53, in respect of the construction of pavement on George Street, in that City, in front of the George Street Wharf, so called.

In reply, I have to say that it is understood that it is the practice of the Department of Public Works to pay similar assessments, under agreements with the Municipalities. I am advised that there are many cases of payments of the nature referred to, and that they have not been specially provided in the supply bills.

The City Clerk of Peterborough, in forwarding the account in question to this Department, observes that the Government has paid for the construction of local improvements in front of other Government properties in Peterborough, including pavements in front of the Customs House and Post Office. The statement of assessment in the present instance is made out on a *printed form* headed as follows: —

> " Assessments and Local Improvement Rates for works opposite to or affecting property of the Dominion Government ",

which would appear to indicate that the present is not an isolated case.

The George Street Wharf referred to was formerly under the control of the Department of Public Works, and, amongst other wharves, was transferred to this Department by an Order in Council of the 24th of December, 1917, P.C. 3427.

Your obedient servant,

R. DE LISLE, *for Secretary.*

The Assistant Auditor General.

Workmen's Compensation Act, Chap. 15, 1918

AUDITOR GENERAL'S OFFICE, January 8, 1924.

SIR, — With reference to awards made to Dominion Government employees under the Workmen's Compensation Act, I beg to call your attention to Regulation No. 68 of the Civil Service Commission approved by the Governor in Council on December 10th, 1923, which is as follows: —

> " Leave of absence may be granted with pay by the Deputy Head of a Department to any employee on account of injury accidentally received in the performance of his duties and not caused by negligence on the employee's part, if application for such leave is properly supported by a certificate from a qualified medical practitioner; but in all cases where an award is made to the employe in connection with such injury under the provisions of Chapter 15, 8-9 George V as amended, by a Workmen's Compensation Board, the amount of the award shall be deducted from the amount payable as salary by the Department."

The statements received by this Office of payments made by the Workmen's Compensation Boards on account of claims of employees of the various Govern-

ment Departments bear the following certificate of a representative of the Department concerned: —

"I hereby certify that the above payments by the Workmen's Compensation Board are in accordance with the records of accidents to employees of this Department, sustained in the course of their duties, and that the periods covered by such payments are correct."

This certificate does not seem to be sufficiently explicit with regard to cases where the deduction of an award to an employee by a Workmen's Compensation Board is to be made from the salary payable by the Department. I have to ask that in such cases the Departmental certificate be amended to include the additional statement: —

"The amount of the above award has been deducted from the amount of salary the employee concerned is entitled to receive from this Department.

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Railways and Canals Department.

DEPARTMENT OF RAILWAYS AND CANALS, January 10, 1924.

DEAR SIR, — Acknowledging receipt of your letter of 8th instant, with reference to awards made to Dominion Government employees, and the conditions of Section 68 of the Civil Service Regulations as approved by Council on December 10th, 1923.

In view of the above-mentioned regulations it would appear advisable that an amendment be made to the certificate as signed by the representatives of the various Government Departments in connection with compensation awarded under the Dominion Act. I am of the opinion however that the amendment as suggested in your letter may cause some confusion in cases where employees are not entitled to salary during the period of disability. There is a possibility that the Departments might interpret such a certificate to mean that the deduction is to be made even though the employee does not receive salary during the period of disability.

I would therefore suggest that the present certificate be amended by adding the following:

"and that where leave of absence has been granted under Section 68
"of the Civil Service Regulations of 10th December, 1923, the conditions
"of such section have been complied with."

I shall be pleased to hear from you further in this connection.

Yours faithfully,

W. V. COPE,

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, January 15, 1924.

DEAR SIR, — I beg to acknowledge the receipt of your letter of the 10th instant with reference to the compensations awarded under the Workmen's Compensation Act and the certificate of the representatives of the various Government Departments in connection therewith.

The object desired is to have the requirements of Section 68 of the Civil Service Regulations complied with and, inasmuch as the certificate in the amended form suggested in your letter would meet these requirements, it will be accepted as satisfactory to this Office.

Yours truly,

WM. KEARNS, *Asst. A.G.*

AUDITOR GENERAL'S OFFICE, February 16th, 1924.

SIR, — I beg to acknowledge the receipt of your application No 418 of 13th instant for $3,779.30, being the amount of an Exchequer Court Award in favour of Flora Christina Hale and H. J. Palmer, Agent of the Minister of Justice, chargeable to Consolidated Revenue Fund.

As this award is for damages on account of the death of the late Frank Howard Hale a railway employee in the machine shops at Charlottetown, P.E.I., I am of opinion that, notwithstanding the provision in the Statute — Chap. 140, Section 79, R.S.C. — the amount of this claim is a proper charge on " Operating expenses " and should, I think, be paid by the Canadian National Railways direct.

Application and papers are herewith returned.

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Railways and Canals Department.

Crédit 118—Canal Welland à eau profonde: Construction: Prorogation du délai de paiement de certaine installation et de matériel acquis par les entrepreneurs

BUREAU DE L'AUDITEUR, GÉNÉRAL, 12 janvier 1924.

CHER MONSIEUR,—Je vous envoie sous ce pli copie d'un arrêté en Conseil (C.P. 15) du 5 janvier 1924, portant modification, afin de suspendre pour dix mois les déductions mensuelles qui y sont prévues, d'une disposition du contrat passé le 27 juin 1922 avec la " P. Lyall and Sons Construction Company ", au sujet du paiement d'une installation et d'un matériel acquis du gouvernement par la compagnie, aux chantiers du canal Welland.

Comme cette modification comporte une perte pour le gouvernement, du fait du retard des paiements, je ne suis pas sûr de pouvoir admettre les versements d'acquittement progressif suivant les dispositions de l'arrêté en Conseil. Vous m'obligeriez beaucoup en m'apprenant si, dans votre opinion, le Gouverneur en conseil a le pouvoir de modifier la disposition du contrat relative aux déductions mensuelles qui y sont stipulées.

L'article du contrat qui prévoit ces déductions est ainsi conçu:

" Il est également entendu et convenu qu'avant ou à l'époque de l'exécution du présent contrat, l'entrepreneur devra payer au ministère, outre les $850,000.00 déposés au moment de la soumission, la somme de $450,000.00 pour acquitter l'installation et le matériel; et qu'au fur et à mesure du progrès des travaux, il sera déduit du montant net de chaque décompte progressif mensuel et de l'estimation finale (après déduction d'une remise de 10 p. 100) au moins $45,000, sauf lorsque ledit montant net de l'estimation est inférieur à $90,000. Dans ce cas, la déduction sera de la moitié du montant net de l'état estimatif. Lorsque le montant net de l'estimation dépassera $300,000, il sera déduit au moins quinze pour cent dudit montant net pour le paiement de l'installation et du matériel. Ces déductions seront effectuées sans interruption jusqu'à ce que le département soit complètement payé pour l'installation et le matériel passés à l'entrepreneur en exécution du contrat ".

Ayant entre les mains une réclamation des entrepreneurs, je vous serais infiniment obligé si vous pouviez me faire tenir votre opinion prochainement.

Votre tout dévoué,

WM. KEARNS, *Asst. A.G.*

Le sous-ministre, ministère de la Justice.

MINISTÈRE DE LA JUSTICE, 14 janvier 1924.

CHER MONSIEUR, — J'ai examiné la question, soulevée par votre lettre du 12 courant, de savoir si le Gouverneur en conseil a le pouvoir de modifier de la manière indiquée les stipulations du contrat passé avec la " P. Lyall and Sons Construction Company " pour la construction des sections 3 et 4 du canal Welland à eau profonde au sujet des déductions mensuelles stipulées dans ledit contrat pour l'amortissement du prix d'achat de l'installation, et je suis d'avis de vous répondre affirmativement. La modification dont vous parlez est

une simple prorogation du délai accordé pour le paiement d'une certaine installation acquise du gouvernement par les entrepreneurs, et, à mon sens, le Gouverneur en conseil a le pouvoir d'en agir ainsi.

Votre tout dévoué,

E. L. NEWCOMBE,
S.-M. de la Justice.

L'Auditeur général adjoint.

Commandes de travaux supplémentaires à donner par écrit par l'ingénieur en chef

BUREAU DE L'AUDITEUR, le 19 mars 1924.

MONSIEUR, — Permettez-moi d'appeler votre attention sur l'article 7 de la formule de convention employée relativement aux entreprises de construction du canal Welland à eau profonde, article qui, en partie, se lit ainsi:

> " En tout temps avant l'acceptation définitive des travaux, l'ingénieur en chef peut commander des travaux additionnels, de nouveaux matériaux ou d'autres choses, qui ne soient pas prévues par le contrat, ou décider que la totalité ou une partie des travaux peut être omise, ou faire tout changement qu'il juge à propos, etc."

Je dois vous demander qu'à l'avenir, lorsque des comptes pour travaux supplémentaires non prévus dans le contrat se trouvent inclus dans l'estimation provisoire des travaux accomplis, une copie de l'ordre de l'ingénieur en chef autorisant ces travaux additionnels soit attachée à la demande de paiement chaque fois que la chose a lieu.

Cette règle s'applique non seulement aux travaux de construction du canal Welland mais à tous les travaux exécutés sur les canaux en général.

Votre obéissant serviteur,

WM. KEARNS, *A.G.*

Le sous-ministre, ministère des Chemins de fer et Canaux.

Crédit 358—Canal de la Trent: Paiements pour le pavage des rues en face de la propriété du gouvernement

BUREAU DE L'AUDITEUR GÉNÉRAL, 18 juin 1924.

MONSIEUR,—J'ai reçu un arrêté en Conseil (C.P. 969) en date du 14 juin 1924 recommandant l'autorisation du paiement, à la corporation de la cité de Peterborough, de la somme de $1,163.53, prix estimé de la construction de la partie du pavage de la rue George, qui se trouve en face du quai censé être sous l'autorité du ministère des Chemins de fer et Canaux.

L'arrêté porte que si le ministère n'est pas obligé aux yeux de la loi de payer cette cotisation, il y a des précédents pour ce faire.

Vous m'obligeriez beaucoup en me fournissant un état indiquant en détail les précédents dont il s'agit. J'aimerais aussi recevoir une explication sur le sens exact des mots " sous l'autorité du ministère des Chemins de fer et Canaux " employés au sujet du quai de la rue George.

A mes yeux, si, comme le dit l'arrêté, le gouvernement n'est pas obligé selon la loi de payer la réclamation en question, tout paiement s'y rapportant doit être spécialement stipulé dans le budget des crédits.

Votre obéissant serviteur,

Wm. KEARNS, *A.G.*

Le sous-ministre, ministère des Chemins de fer et Canaux, Ottawa.

Ministère des Chemins de fer et Canaux, le 20 juin 1924.

Monsieur, — J'ai l'honneur de vous accuser réception de votre lettre du 18 de ce mois dans laquelle vous demandez que l'on vous fournisse certains renseignements concernant l'arrêté en conseil C.P. 969 autorisant le paiement de $1,163.53 à la corporation de la cité de Peterborough pour la construction du pavage de la rue George dans ladite cité en face du quai de la rue George comme on désigne ordinairement cet endroit.

J'ai à vous dire en réponse qu'il est entendu que c'est la coutume du ministère des Travaux publics de payer semblables réparations en vertu de certaines ententes avec les municipalités. On m'informe qu'il existe nombre de cas de paiement de la nature mentionnée et qu'il n'y a pas été spécialement pourvu dans le budget des crédits.

Le greffier de Peterborough en présentant au ministère la note en question nous fait remarquer que le gouvernement a payé pour la construction d'améliorations locales en face d'autres propriétés du gouvernement à Peterborough, y compris les pavages en face de l'édifice de la douane et du bureau de poste. L'état de la répartition en question est rédigé sur une formule imprimée avec l'en-tête qui suit:

> " Répartitions et taxes d'améliorations locales pour travaux exécutés en face ou au bénéfice des propriétés du gouvernement fédéral ",

ce qui semble démontrer que le cas présent n'est pas un cas isolé.

Le quai de la rue George en question était autrefois sous le contrôle du ministère des Travaux publics et il a été, avec d'autre quais, transféré à ce ministère en vertu d'un arrêté en conseil du 24 décembre 1917, C.P. 3427.

Votre obéissant serviteur,

R. de LISLE, *pour le secrétaire.*

L'Auditeur général adjoint.

Loi de compensation ouvrière, Chap. 15, 1918

Bureau de l'Auditeur général, 8 janvier 1924.

Monsieur, — Relativement aux sommes payées aux employés du gouvernement sous le régime de la Loi de compensation ouvrière j'ai l'honneur d'attirer votre attention sur le règlement n° 68 de la Commission du Service civil, approuvé par le Gouverneur en conseil le 10 décembre 1923, rédigé dans les termes suivants:

> " Le sous-ministre ou chef d'un ministère peut accorder un congé avec entier salaire à tout employé pour cause de lésion accidentellement subie dans l'accomplissement de ses devoirs et non causée par la négligence de

l'employé, si la demande pour ce congé est appuyée d'un certificat signé par un médecin dûment qualifié; mais dans tous les cas où l'employé reçoit une compensation quelconque pour la lésion en question en vertu des dispositions contenues à l'article 15, 8-9 George V, tel que modifié, à la suite d'une décision rendue par un conseil de compensation ouvrière, le montant de cette compensation sera déduit du montant payable comme salaire par le ministère ".

Les états que cette division a reçus concernant les paiements effectués par les conseils de compensation ouvrière pour satisfaire aux réclamations des employés des divers ministères du gouvernement sont accompagnés du certificat suivant signé par un représentant du ministère concerné:

" Je certifie par ces présentes que les paiements susdits autorisés par le conseil de compensation ouvrière sont conformes aux données que possède ce ministère relativement aux accidents survenus à ses employés pendant l'exécution de leurs devoirs et que les périodes comprises dans ces paiements sont exactes ".

Ce certificat ne semble pas suffisamment explicite pour ce qui concerne les cas où l'on doit déduire du salaire que le ministère doit payer le montant qu'un employé a reçu sous forme de compensation accordée par un conseil de compensation ouvrière. Je dois exiger que dans ces cas le certificat du ministère soit modifié de manière à inclure la déclaration supplémentaire suivante:

" Le montant de la compensation susdite a été déduit du montant du salaire que l'employé concerné a droit de recevoir de ce ministère ".

Votre obéissant serviteur,

Wm. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère des Chemins de fer et Canaux.

Ministère des Chemins de fer et Canaux, le 10 janvier 1924.

Cher monsieur, — J'ai reçu votre lettre du 8 courant, relativement aux indemnités accordées aux fonctionnaires du gouvernement fédéral au sujet des conditions prescrites par l'article 68 des règlements du Service civil, tels qu'approuvés par le Conseil, le 10 décembre 1923.

Par suite des règlements précités, il semblerait expédient qu'une modification soit faite au certificat tel que signé par les représentants des divers ministères du gouvernement, en ce qui concerne l'indemnité accordée sous l'empire de la loi fédérale. Toutefois, je suis d'avis que la modification suggérée dans votre lettre peut causer quelque confusion, dans les cas où les fonctionnaires n'ont pas le droit de toucher leur traitement, durant la période d'invalidité. Il est possible que les ministères puissent interpréter un certificat de ce genre, comme signifiant que la déduction doit se faire, même si le fonctionnaire ne touche pas son traitement durant la période d'invalidité.

Je suggérerais donc de modifier le certificat actuel en y ajoutant ce qui suit:

" et qu'au cas où un congé a été accordé en vertu de l'article 68 des règlements du Service civil du 10 décembre 1923, les conditions énoncées à cet article ont été observées ".

Il me fera plaisir que vous m'entreteniez encore de ce sujet.

Votre dévoué,

W. V. COPE.

A l'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 15 janvier 1924.

CHER MONSIEUR, — J'ai l'honneur d'accuser réception de votre lettre du 10 courant, relativement aux indemnités accordées en vertu de la Loi des accidents du travail et au certificat des représentants des divers ministères du gouvernement, à ce sujet.

Nous désirons simplement que les prescriptions de l'article 68 des règlements du Service Civil soient observées, et, si le certificat sous la forme modifiée suggérée dans votre lettre s'y conforme, il sera accepté comme satisfaisant par ce bureau.

Cordialement à vous,

WM. KEARNS, *A.-G. adjoint.*

M. W. V. COPE,
Contrôleur, ministère des Chemins de fer et Canaux.

Jugement de la cour de l'Echiquier: Réclamations pour dommages, etc., devant être payés par les chemins de fer de l'Etat

BUREAU DE L'AUDITEUR GÉNÉRAL, le 16 février 1924.

MONSIEUR, — J'ai reçu votre demande n° 418, du 13 courant, pour $3,779.30, le montant accordé par un jugement de la cour de l'Echiquier en faveur de Flora Christina Hale et de H. J. Palmer, agent du ministre de la Justice, imputable sur le Fonds du Revenu consolidé.

Comme ce jugement accorde une indemnité à cause de la mort de Frank Howard Hale, ouvrier qui travaillait dans les usines de Charlottetown, Ile du Prince-Edouard, je suis d'avis que nonobstant la disposition du statut—chap. 140, article 79 des S.R.C.—le montant de cette réclamation s'applique à bon droit aux "Dépenses d'exploitation" et devrait, je crois, être payé directement par les chemins de fer de l'Etat.

Je vous renvoie ci-inclus la demande et les documents.

Votre obéissant serviteur,

WM. KEARNS, *A.-G. adjoint.*

Vote 280—R.C.M. Police: Purchase at Edmonton of Headstone

Auditor General's Office, March 22, 1924.

Sir,—Edmonton Letter-of-Credit cheque No. 1077, issued on December 13th last, is for the payment of $85 to The Edmonton Granite, Marble and Stone Company, for a headstone for the grave of the late Corporal W. A. Doak.

Paragraph No. 1445 of the Rules and Regulations provides that "Reasonable expenses for the burial of N. C. Officers and Constables of the Force will be allowed from public funds, and Commanding Officers will govern themselves in accordance with local conditions and circumstances, with due regard to economy."

It appears to me that the erection of a headstone can hardly be regarded a necessary part of the burial expenses. I do not recall any previous cases in which such a charge was allowed; were there any special circumstances in this case which might warrant such an item being made a public charge.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Commissioner, Royal Canadian Mounted Police.

Royal Canadian Mounted Police, March 27, 1924.

Dear Sir,—In reply to your letter of the 22nd, regarding letter of credit cheque No. 1077, issued on December 13th last, for $85.00 to the Edmonton Granite, Marble and Stone Company, for a headstone for the grave of the late Corporal Doak:

I beg to state that Corporal Doak was, in April, 1922, at Tree River on Coronation Gulf, murdered by a prisoner he was holding for another murder. The circumstances are very painful. This man was murdered in his sleep, while on duty.

Corporal Doak's body was brought to Herschel Island to be buried there, near the detachment. As there was practically no expense in connection with his funeral, the Officer Commanding the Mackenzie District recommended that a small tombstone be erected on his grave. This was submitted to the Honourable the Minister, who approved the expenditure of $85.00 for this purpose.

Yours very truly,

C. STARNES, *Commr.*

The Assistant Auditor General.

Crédit n° 280—Royale Gendarmerie à cheval du Canada: Achat d'une pierre tumulaire à Edmonton

BUREAU DE L'AUDITEUR GÉNÉRAL, 22 mars 1924.

MONSIEUR,—Le chèque de lettre de crédit nº 1077 émis le 13 décembre dernier par le bureau d'Edmonton a servi à payer à la Edmonton Granite, Marble and Stone Company, la somme de $85 pour une pierre tumulaire destinée au tombeau de feu le caporal W. A. Doak.

Le paragraphe nº 1445 des règles et règlements stipule que: "On peut prendre sur les fonds publics les frais raisonnables de la sépulture des sous-officiers et des membres de la Gendarmerie, et les officiers commandants doivent se conformer aux conditions et circonstances locales, tout en veillant à l'économie."

Il me semble que l'érection d'une pierre tumulaire peut difficilement être classée dans les frais funéraires nécessaires. Je ne me rappelle pas d'un cas semblable qui ait été approuvé; y a-t-il dans ce cas des circonstances spéciales qui puissent justifier le paiement de ces frais sur les fonds publics?

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au Commissaire de la Royale gendarmerie à cheval du Canada.

ROYALE GENDARMERIE À CHEVAL DU CANADA, 27 mars 1924.

CHER MONSIEUR,—En réponse à votre honorée du 22, au sujet d'un chèque de lettre de crédit, nº 1077, émis le 13 décembre dernier, au montant de $85 en paiement à la Edmonton Granite, Marble and Stone Company, d'une pierre tumulaire pour le tombeau de feu le caporal Doak, je dois vous dire que le caporal Doak fut assassiné en avril 1922 à la Rivière-à-l'Arbre, sur le golfe Coronation, par un prisonnier qui avait été arrêté pour un autre meurtre. Les circonstances sont très pénibles. Cet homme a été assassiné pendant son sommeil, alors qu'il était en devoir.

Le corps du caporal Doak fut transporté à l'île Herschel pour y être enterré près des quartiers du détachement. Comme il n'y eut pratiquement pas de frais pour les funérailles, l'officier commandant recommanda d'ériger une petite pierre tumulaire sur sa tombe. Cette recommandation a été soumise au ministre qui a approuvé une dépense de $85 à cette fin.

Bien à vous,

C. STARNES, *Comm.*

A l'Auditeur général adjoint.

Vote No. 382: Salary and living allowance to Hon. Wm. Pugsley during illness

AUDITOR GENERAL'S OFFICE, March 19, 1924.

DEAR SIR, — I find on examination of the accounts rendered by the Hon. Wm. Pugsley, a Commissioner appointed to investigate war claims, that he makes a charge for remuneration and living allowance for the time he was confined through illness in an hospital at Ottawa.

In view of the provision in the Order in Council — P.C. 696 of April 20th, 1923 — fixing the amount of the honorarium to be paid for his services at the rate of $9,000 per annum " during the time employed in the performance of the duties of a Commissioner ", I shall be obliged for your reasons for allowing the honorarium for the days he was confined to hospital.

Explanation for passing for payment the daily allowance ($15.00) for living expenses during the same period is also necessary.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Under Secretary of State.

DEPARTMENT OF THE SECRETARY OF STATE, March 25, 1924.

DEAR SIR, — I have your letter of the 19th instant, with reference to the payment to the Honourable Wm. Pugsley, K.C., LL.D., Commissioner, which included the time he was confined, through illness, to the hospital.

In reply I beg to state that the Commissioner was taken ill in Toronto while presiding at the sittings of the Commission in that city, and his illness was occasioned, it is believed, by the travelling and visiting of different centres for the purpose of carrying out the duties assigned by the Commission. Furthermore the duties of the Commissioner are continuous until he has made his final report to the Governor in Council.

In reference to the living allowance I beg to quote the provision with regard to the same, as follows — " that he be paid also a living allowance of $15.00 per diem for the time absent from the city of St. John, N.B., in connection with this work ". It is therefore the opinion of the Department that the Order in Council P.C. 696 of the 20th April, 1923, providing for the payment of an honorarium and expenses in connection with Mr. Pugsley's services as Commissioner is sufficient authority for the payments in question.

Yours truly,

THOMAS MULVEY,
Under-Secretary of State.

The Assistant Auditor General.

Crédit n° 382: Traitement et allocation de subsistance de l'hon. Wm. Pugsley, durant sa maladie

BUREAU DE L'AUDITEUR, 19 mars 1924.

CHER MONSIEUR, — Dans l'examen des comptes qu'a rendus l'honorable Wm. Pugsley, commissaire chargé d'enquêter sur les réclamations de guerre, je trouve qu'on lui a payé une rémunération et une allocation de subsistance pour le temps qu'il a passé dans un hôpital d'Ottawa où le retenait la maladie.

Vu les dispositifs de l'arrêté en Conseil—C.P. 696, en date du 20 avril 1923 — qui fixent le montant des honoraires que l'on doit payer pour ses services à $9,000 par année " pendant le temps qu'il consacre à l'accomplissement de ses devoirs de commissaire ", je serais heureux d'obtenir les raisons pour lesquelles on lui a accordé des honoraires pour les jours qu'il a passés à l'hôpital.

Il faudra aussi expliquer pourquoi on accorde le paiement de l'allocation quotidienne de subsistance ($15.00) pendant la même période.

Bien à vous,

WM. KEARNS, *A.G. adjoint.*

Au sous-secrétaire d'Etat.

SECRÉTARIAT D'ETAT, 25 mars 1924.

CHER MONSIEUR, — J'ai reçu votre lettre du 19 courant relative au paiement qui a été fait à l'honorable Wm. Pugsley, C.R., LL.D., commissaire, dans lequel on inclut le temps qu'il a passé dans un hôpital où le retenait la maladie.

En réponse, je dois dire que le commissaire tomba malade à Toronto où il présidait les séances de la Commission, et sa maladie peut être attribuée aux voyages et aux visites que nécessitait l'accomplissement de ses devoirs de commissaire dans les différents centres. De plus, les devoirs du commissaire sont ininterrompus jusqu'à ce qu'il ait présenté son rapport final au gouverneur en conseil.

Pour ce qui est de l'allocation de subsistance, je citerai la clause qui s'y rapporte et qui dit — " il lui sera également payé une allocation de subsistance de $15.00 par jour pendant son absence de Saint-Jean, N.-B., pour les fins de ce travail " Conséquemment, le département est d'avis que l'arrêté en Conseil (C.P. 696, en date du 20 avril 1923), autorisant le paiement d'un honoraire et des dépenses pour les services de M. Pugsley, justifie amplement les paiements dont il est question.

Bien à vous,

THOMAS MULVEY,
Sous-secrétaire d'Etat.

A l'auditeur général adjoint.

Payments for Overtime must be Authorized by Governor in Council

AUDITOR GENERAL'S OFFICE, January 16, 1924.

SIR, — I am in receipt of your letter of the 11th instant, enclosing vouchers in favour of Miss B. H. White for overtime work as stenographer while employed upon the Royal Commission. In reply, I may say that this account cannot be authorized by this office, but should be submitted to the Civil Service Commission, in accordance with Section 85 of the Regulations of the Commission which provides that: "additional remuneration may be provided for work performed outside of prescribed working hours only on the request of the Department to the Civil Service Commission. The Civil Service Commission, after investigation and if concurring in the request of the Department, will submit such request to the Governor in Council for approval."

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Supervisor of Expenditures, Dept. of Soldiers' Civil Re-Establishment.

Vote 293—Secretary of Ralston Commission employed and paid by Senate Committee

AUDITOR GENERAL'S OFFICE, June 11, 1924.

SIR, — With reference to my letter of October 4th and your reply of October 5th regarding employees of the Royal Commission, known as the Ralston Commission, I find that Howard D. Dewar, Secretary to the Commission, appears on the paylist for the month ending March 31st, and was paid by your cheque No. 20131. The payment is for the whole month of March, but I find upon reference to the accounts of the Senate that Mr. Dewar was employed, as a temporary employee, by the Chief Clerk of Committees for 31 days during the month of March. Kindly inform me why payment was made to Mr. Dewar when he, apparently, was employed, not in your department, but in the Senate, and was paid from their appropriations.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Dept. of Soldiers' Civil Re-Establishment.

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

OTTAWA, June 18, 1924.

SIR, — In reply to your letter of the 11th instant, it has only recently come to our knowledge that Mr. H. D. Dewar who is employed as Secretary to the Royal Commission on Pensions, and who is paid by this Department, has been employed by the Chief Clerk of Committees of the Senate from the 1st of March to date. Pending a decision in connection with these payments, the salary of Mr. Dewar for the month of June is being withheld by this Department, and

I understand from the Accountant of the Senate that similar action has been taken with respect to the payment from them which was due him on the 14th instant.

I am, Sir, your obedient servant,

G. W. F. HODGINS, *for Chief Accountant.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, June 24, 1924.

DEAR SIR, — I desire to call your attention to the fact that Mr. H. D. Dewar, a temporary clerk on the Senate staff since March 1st last, is also employed in the Department of Soldiers' Civil Re-Establishment as Secretary to the Royal Commission on Pensions at a salary of $250 per month. Will you please discontinue making further payments to him until such time as the overpayment is refunded or the payment for both services is authorized by the proper authority.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Clerk of the Senate.

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT,

OTTAWA, June 25, 1924.

SIR, — With further reference to your letter of the 11th, instant and our letter of the 18th instant, I have discussed the payments of salary made to Mr. Dewar with the Chief Clerk of Committees of the Senate, and it is felt that payment of $50.00 per month by the Senate, in addition to salary of $250.00 per month which Mr. Dewar receives from this Department, would be an equitable arrangement. This will necessitate the recovery of $310.00, the difference between $50.00 per month and the sum of $460.00 paid to Mr. Dewar by the Senate during March, April and May. Further salary payments are being withheld by the Senate and this Department, pending your approval of this arrangement. Mr. Dewar is entitled to two months' Retiring Allowance from this Department on the termination of his engagement, from which sum any overpaid amount can be recovered. I shall be glad to receive your decision so that salary payment due on the 30th instant may be released.

I am, Sir, your obedient servant,

N. F. PARKINSON, *D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, June 26, 1924.

SIR, — I beg to acknowledge receipt of your letter of the 25th instant with further reference to payments made to Mr. H. D. Dewar by your Department in addition to other payments made by the Senate for his services as a temporary sessional clerk — both payments being for the months of March, April and May 1924. It seems to me further enquiry should be made in respect of these payments so as to ascertain the portions of the time each month during which he

was at work in the Senate and in your Department respectively. So far as I am concerned I am of opinion that the whole remuneration paid him as a temporary sessional clerk in the Senate should be refunded and if he did not give full time service in your Department during the period in question he was not entitled to the full salary of the position held by him. It may lead to a solution of the question at issue if you refer the case to the Treasury Board.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Soldiers' Civil Re-Establishment.

SOLDIERS' CIVIL RE-ESTABLISHMENT, November 6, 1924.

DEAR SIR, — Reference previous correspondence regarding Mr. H. D. Dewar. I beg to advise that we have to-day issued Mr. Dewar with a cheque for $140.00 in full payment of his Retiring Allowances on completion of his service with the Royal Commission on Pensions and Re-Establishment, P.C. 1638 of the 18th September, 1924.

The sum of $360.00, the amount of the excess payment made to him by the Senate has been retained by this Department and will not be paid.

Yours very truly,

G. W. F. HODGINS, *for Director of Administration.*

The Auditor General.

Les paiements pour temps supplémentaire doivent être autorisés par le Gouverneur en Conseil

Bureau de l'Auditeur Général, 16 janvier 1924.

Monsieur, — J'ai l'honneur de vous accuser réception de votre lettre du 11 du mois courant contenant les pièces justificatives relativement au cas de Mlle B. H. White pour le temps supplémentaire comme sténographe pendant qu'elle était à l'emploi de la Commission royale. Je dois vous dire en réponse que notre bureau ne peut pas approuver ce compte qui devra être soumis à la Commission du Service civil, en conformité de l'article 85 des Règlements de la Commission qui établit que: " le paiement d'un supplément de traitement ne peut être accordé pour travail exécuté en dehors des heures régulières de bureau que sur la requête du département de la Commission du Service civil. Après renseignements pris, si elle approuve la requête du département, la Commission du Service civil soumettra ladite requête au Gouverneur en Conseil pour obtenir son approbation ".

Je demeure, monsieur, votre obéissant serviteur,

Wm. KEARNS, *A.G. adjoint.*

Crédit 293—Le secrétaire de la Commission royale Ralston a été employé et payé par le Comité du Sénat

Bureau de l'Auditeur Général, 11 juin 1924.

Monsieur, — Relativement à ma lettre du 4 octobre et à votre réponse du 5 octobre concernant les employés de la Commission royale connue sous le nom de Commission Ralston, je constate que Howard D. Dewar, secrétaire de la Commission dont le nom apparaît sur le bordereau de paye pour le mois finissant le 31 mars, a été payé par votre chèque n° 20131. Ce paiement est pour le mois de mars en entier, mais en consultant les comptes du Sénat je constate que M. Dewar y a été employé à titre de temporaire par le greffier en chef des comités pendant les 31 jours du mois de mars. Veuillez donc m'informer pourquoi vous avez payé M. Dewar alors qu'il a été employé, non pas dans votre ministère, mais au Sénat et a été payé à même les crédits du Sénat.

Je demeure, monsieur, votre obéissant serviteur,

Wm. KEARNS. *A.G. adjoint.*

Le sous-ministre,
Ministère du Rétablissement des soldats dans la vie civile.

Ministère du Rétablissement des soldats dans la vie civile,

Ottawa, le 18 juin 1924.

Monsieur, — En réponse à votre lettre du 11 courant, ce n'est que dernièrement que nous avons appris que M. H. D. Dewar, qui est employé comme secrétaire de la Commission royale sur les pensions, et qui est payé par ce ministère, a été employé par le greffier en chef des comités du Sénat depuis le 1er

mars jusqu'à date. En attendant une décision relativement à ces paiements le traitement de M. Dewar pour le mois de juin est pour le moment retenu par notre ministère et je suis informé par le comptable du Sénat qu'il agit de la même façon relativement au traitement que M. Dewar devait recevoir le 14 courant.

Je demeure, monsieur, votre obéissant serviteur,

G. W. F. HODGINS, *pour le comptable en chef.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, 24 juin 1924.

MONSIEUR, — Je désire attirer votre attention sur le fait que M. H. D. Dewar, un commis temporaire faisant partie du personnel du Sénat depuis le 1er mars dernier, est aussi employé au ministère du Rétablissement des soldats dans la vie civile comme secrétaire de la Commission royale sur les pensions à un traitement de $250 par mois. Voulez-vous avoir la bonté de cesser de lui faire des paiements jusqu'à concurrence du plein remboursement de l'excédant de salaire qu'il a reçu ou jusqu'à ce que la rémunération pour ces deux emplois soit autorisée par les autorités compétentes.

Bien à vous,

WM. KEARNS, *A.G. adjoint.*

Le Greffier du Sénat.

MINISTÈRE DU RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

OTTAWA, le 25 juin 1924.

MONSIEUR, — Relativement à vos lettres du 11 et du 18 courant, j'ai discuté avec le greffier en chef des comités du Sénat, la question des paiements que l'on a faits à M. Dewar et l'on en est venu à la conclusion qu'un paiement de $50 par mois, fait par le Sénat, en sus des $250 par mois que M. Dewar reçoit de ce ministère, constituerait un arrangement équitable.

Il faudra en conséquence obtenir le remboursement de $310, ce qui équivaut à la différence entre le traitement de $50 par mois et la somme de $460 payée à M. Dewar par le Sénat, pendant les mois de mars, avril et mai.

Mon ministère et le Sénat ont discontinué tout paiement supplémentaire en attendant votre ratification de cette entente. M. Dewar a droit à une allocation de retraite égale à deux mois de traitement et l'on pourra déduire les plus-payés de cette somme.

Je serais heureux de connaître votre décision afin que nous puissions disposer du paiement de traitement qui deviendra dû le 30 courant.

Votre humble serviteur,

N. F. PARKINSON, *S.-M.*

A l'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 26 juin, 1924

MONSIEUR, — J'ai reçu votre lettre du 25 courant, relativement aux paiements faits à M. H. D. Dewar par votre ministère en sus des paiements faits par le Sénat pour ses services à titre de commis sessionnel, pour les mois de mars, avril et mai 1924.

Il me semble que l'on devrait faire une enquête afin de découvrir pendant quelle partie de chaque mois il a été employé au Sénat et dans votre ministère respectivement. A mon avis, il devrait rembourser tout ce qu'il a reçu à titre de commis temporaire sessionnel au Sénat et, en outre, s'il n'a pas donné tout son temps à votre ministère durant la période en cause, il n'a pas droit au plein traitement de la position qu'il occupait.

Afin de trouver une solution à la question, il vaudrait peut-être mieux soumettre le cas à la Trésorerie.

Votre humble serviteur,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre du
Rétablissement des soldats dans la vie civile.

RÉTABLISSEMENT DES SOLDATS DANS LA VIE CIVILE,

OTTAWA, 6 novembre 1924.

CHER MONSIEUR,—Relativement à la correspondance antérieure concernant M. H. D. Dewar, j'ai l'honneur de vous apprendre que nous avons aujourd'hui payé à M. Dewar, par chèque, la somme de $140 en paiement final de son allocation de retraite à la terminaison de ses services à la Commission royale des pensions et du rétablissement, (C.P. 1638, en date du 18 septembre 1924).

La somme de $360.00, montant de surpaye à lui faite par le Sénat a été retenue par ce départment et ne sera pas payée.

Votre tout dévoué,

G. W. F. HODGINS, *pour le directeur de l'administration.*

Vote 284, Advances to Soldier Settlers: Payment of Lien Note due on Binder purchased for a Soldier Settler

AUDITOR GENERAL'S OFFICE, September 20, 1924.

SIR, — In the November, 1923, statement of contingency disbursements by your District Superintendent at Winnipeg, I find a payment of $60 to the Cockshutt Plow Co., Limited, being a balance due on a binder sold to C. D. Buckland.

From the documents submitted in support of this payment it appears that in August, 1922, a second-hand binder was purchased from R. McInnis of Grand View for the sum of $150 and charged against the loan account of soldier-settler C. D. Buckland. About a year later it was discovered that the Cockshutt Plow Co., Limited, held a lien note of $60 against this machine, and this payment was authorized by the Superintendent of your Loan Review and Records Branch in order that Mr. Buckland might retain possession of the binder, Mr. McInnis, the vendor, having left the country.

As the practice of selling agricultural implements on time or on lien notes has prevailed to a considerable extent in the west, I have to ask why, when the negotiations for this purchase were being made, inquiries were not instituted as to whether or not the binder in question was free from incumbrances.

WM. KEARNS, *Asst. A.G.*

The Chairman, Soldier Settlement Board.

SOLDIER SETTLEMENT BOARD, September 27, 1924.

DEAR SIR, — I beg to acknowledge receipt of your letter of September 20th regarding an item of $60.00 in our November 1923 Contingency statement of disbursements, being a balance due on a binder sold to a soldier settler named Charles D. Buckland.

In the consideration of the question raised it should be remembered that no administrative charges are made against returned soldiers in connection with their loans. As laid down at the time the Act was passed all legal costs, including searches, etc., are borne by the Department on account of the re-establishment aspect of the work.

The Board has purchased a very large amount of second-hand machinery for settlers. If search of title were to be instituted it would not be sufficient to make it only in the district in which the immediate vendor resided, or in the district in which the machinery happened to be, but all the districts in which the chattel might have been would have to be searched also; in some provinces this would mean a search in five or six or more districts.

Settlers buying implements or live stock at the time of establishment generally need them immediately and if payment were withheld until all searches were made, the settler would not get his implement in some cases for a considerable time and so his farming operations for a whole season might be held up. Again, in the cases of low priced implements or stock, the cost of the searches made in many cases might exceed the price of the implement or animal concerned.

The Board considered this situation in 1919 and came to the conclusion that it was cheaper to run the risk of incidental occasional losses rather than pay the cost of searching in every case. It also concluded that if active settlement work were to be carried on, actual legal searches of title of chattels were impossible, consequently on advice of legal counsel it devised a form of

Purchasing Order, Form 67A (copy enclosed) and relied on this and the ability and discretion of its Field Supervisors to guard it against loss. That the precautions taken have been adequate may be seen from the fact that although we have purchased, during the last six years, 55,356 horses, 88,941 cattle and three million dollars worth of second-hand implements, we have had less than ten cases where any defect has arisen. The cost of searching title would have been one hundred times greater than the losses involved.

It might also be mentioned that there are several provinces where no registration of lien notes is made, the buyer having to protect himself. The case in question arose in Manitoba, in which province there is no registration of lien notes and thus there was no place in any event where a search could have been made in this instance.

Vote 284, Advances to Soldier Settlers: Unexpended Balances of Advances (Page Z-28)

AUDITOR GENERAL'S OFFICE, October 14, 1924.

SIR, — Among the balances remaining unaccounted for on March 31st, last, I find the following which were brought forward from the fiscal year 1922-23 as being unaccounted for on March 31st, 1923: —

A. M. Black, Saskatoon	$ 29 00
A. H. Cutten, Halifax	179 45
A. B. Cutting, Ottawa	97 89
E. T. Goldsmith, Sherbrooke	16 54
D. Hart, Saskatoon	14 90
L. J. Hurst, Calgary	25 02
C. W. Living, Calgary	32 91
C. W. Marshall, Winnipeg	72 72
N. Nicholson, Calgary	12 72
F. Palmer, Winnipeg	3 00
B. E. Patterson, Ottawa	201 13
F. A. Rowlandson, Regina	466 51
A. F. Simpson, Saskatoon	62 35
G. E. Stirtan, Vancouver	153 20
Montreal District Office	26 26

E. J. Reynolds, of Saskatoon, is shown as having an unexpended balance of $87.52 on March 31st, 1923; on March 31st, 1924, his unexpended balance was $287.52, which appears to be the amount brought forward from the previous fiscal year together with an additional amount of $200.

I have to ask for a report upon each of these cases, explaining why these amounts still remained unaccounted for on March 31st last.

WM. KEARNS, *Asst. A.G.*

The Chairman, Soldier Settlement Board.

THE SOLDIER SETTLEMENT BOARD, November 3, 1924.

DEAR SIR,—In reply to your letter dated the 14th instant, asking for a report on balances remaining unaccounted for at the close of Fiscal Year 1922-23, I submit the following explanations:—

A. M. BLACK, Saskatoon, $29.00: Mr. Black who was formerly a Field Supervisor in the Saskatoon District, resigned on the 30th September 1920. The balance outstanding was for items deleted from his expense account for Living Expenses while at his headquarters. In April 1921, the Justice Department was asked to collect the amount if possible, without taking the case into court and when they wrote him, he put in a counter claim for $150.00, which he claimed we still owned him for items he stated were expended on Government business, but which were not allowed. In view of the small amount outstanding and the uncertainty as to whether his claim was justifiable, it was not deemed advisable to press the matter further.

A. H. CUTTEN, HALIFAX, $179.45: Mr. Cutten was employed as a Farm Inspector in the Province of Nova Scotia in 1919-20. When he was dismissed he had on hand the above balance of advances for expenses outstanding. We demanded a refund of this amount from him, but he put in a counter claim for salary and claimed that there was a further amount due him for salary. We have not been able to get this account adjusted. We did not admit his claim but inasmuch as there may have been some misunderstanding over his appointment, we did not carry the matter into the courts and up to the present have been unable to arrive at a satisfactory settlement.

A. B. CUTTING, Ottawa, $97.89: Mr. Cutting was a Head Office official, who was given an advance for travelling expenses in 1919. When he resigned in October of that year, he had a balance of about $450.00 to account for. His salary and bonus cheques were held pending receipt of his expenses and were never given to him, but were later deposited to the credit of his expense account, leaving the above balance unaccounted for. When he resigned, he promised to pay the balance and we used every possible endeavour to get it from him but he had no money. He was last written to in January 1922, but we received no reply to that letter. His present address is unknown.

E. T. GOLDSMITH, Sherbrooke, $16.54: Mr. Goldsmith was dismissed from our employ as a Field Supervisor at Sherbrooke on the 7th June, 1920, and the above balance outstanding against him was owing when his services were terminated. His last known address was Belleville, where he was written to several times, but to which we received no reply. On the 12th April 1921, the Justice Department was asked to write him calling for a refund, and although they did so, they never received any answer to their letter. As the amount owing was small, it was considered inadvisable to take legal action against him. His present whereabouts are unknown.

D. HART, Saskatoon, $14.90: Mr. Hart was employed as an Inspector in the Saskatoon District and was dismissed in the spring of 1920. The $14.90 outstanding against him was the balance for expenses he had not accounted for when dismissed. The Justice Department were asked in 1920 to collect the amount but were unsuccessful. He recently became a soldier settler and the amount he owes will be collected when he makes his first payment.

L. H. HURST, Calgary, $25.02: Mr. Hurst who was a Land Inspector at Calgary resigned on the 15th September 1920, owing us the above stated balance unexpended of advances for expenses. After several unsuccessful attempts to collect the amount, in February 1921, the Justice Department was asked to take steps to collect, but the case was not pressed, as he was in financial difficulties and a judgment if obtained would have been worthless and only added to our cost.

C. W. Living, Calgary, $32.91: Mr. Living was employed as a Land Inspector at Calgary, resigning on the 6th August 1920, owing a balance as shown above of advances for expenses. When he resigned, he promised to refund this amount and on the 11th January 1921, the account was passed to the Department of Justice for action. That department wrote him but their letter was returned undelivered and his address has been unknown to us since 1921.

C. W. Marshall, Winnipeg, $72.72: Mr. Marshall who was a Field Supervisor at Winnipeg, resigned on the 19th April, 1920, owing us this amount that had been advanced from the Contingencies Account of the Winnipeg office. We sued him and obtained judgment and made efforts to collect by twice garnisheeing without result. We have not known his address since 1921.

N. Nicholson, Calgary, $12.72: Mr. Nicholson was employed as a Land Inspector at Calgary and was dismissed on the 31st March, 1920, owing this balance of advances for expenses unaccounted for. We wrote him several times asking for a refund of this amount but owing to the smallness of same and to the fact that he claimed we owed him over $200.00 for amounts struck out of his accounts, wrongful dismissal, etc., we did not consider legal action advisable.

F. Palmer, Winnipeg, $3.00: This sum was expended by Mr. Palmer, one of our Field Supervisors at Winnipeg, for freight charges on a Seed Drill and charged in his expense account for March, 1921. It was deleted by Head Office as it was properly chargeable to W. T. Ayres, District Sale, Winnipeg, No. 33. Our Winnipeg office adjusted the item in May 1921, by Journal Entry, charging it to the settler's Stock and Equipment Account and crediting Accounts Transferred to Ottawa, and we completed the entry by debiting Winnipeg and crediting Mr. Palmer. The item was taken into account in adjusting our loans for Fiscal Year 1921-22.

B. E. Paterson, Ottawa, $201.13: When Mr. Paterson resigned from his position as Director of Land & Loans, he owed this amount on account of advances for expenses. He has been written to, but we have not yet been able to get his account adjusted. We are making further efforts to collect.

F. A. Rowlandson, Regina, $466.51: Mr. Rowlandson was dismissed from his position as Land Inspector, Regina, in 1920. He had the above balance of advances for expenses unaccounted for. We immediately asked him for a refund and received his last expense account on the 2nd October, 1920, and he promised to refund the balance, but that is the last communication we have received from him. In November, 1920, our District Superintendent, Regina, reported that Mr. Rowlandson's friends advised him that he had been acting in an eccentric manner. He traced him to Vancouver in 1921, but he was worthless and further action against him was considered useless.

A. F. Simpson, Saskatoon, $62.35: Mr. Simpson formerly Land Inspector at Saskatoon, resigned on the 30th June, 1920, owing us this balance of advances for expenses unaccounted for. We wrote him several times urging payment, but received no reply, so we requested the Justice Department to take action towards recovery of the amount. Upon investigation, it was considered that as there were executions amounting to several thousand dollars standing against him, proceedings should be discontinued. His present address is unknown.

G. E. Stirtan, Vancouver, $153.20: When Mr. Stirtan who was a Land Appraiser, was dismissed in April, 1920, our Vancouver office overpaid him one month's salary at $150.00. A month or so later the error was discovered, and a refund demanded. He did not dispute the amount, but stated he was barely able to eke out an existence for his wife and family at that time. The matter was placed before the Justice Department but after further and fuller inquiry was made, it was found as he had no assets it would be useless to seek judgment in court. His address has been unknown since 1921. The $3.20 shown against

him is not properly chargeable to him but to an overpayment in the adjustment of our Agricultural Training Branch Accounts in Vancouver in 1921. The amount is not recoverable.

MONTREAL OFFICE, $26.26: This is a balance carried forward from Fiscal Year 1920-21. When our Montreal office was closed, the above mentioned balance of advances for Contingencies was outstanding. This office was open for one or two years at the commencement of our work and during that time, several officials were in charge of the accounts. When closing that office, we called on Mr. Campbell, who was then in charge, for a refund, but he stated that the money had not been handled by him and refused to pay the amount. We did not consider the amount sufficiently large to warrant the expenses of an investigation to identify the officer to whom the shortage should have been charged.

E. J. REYNOLDS, Saskatoon, $287.52: Mr. Reynolds was a Field Supervisor at Saskatoon who resigned on the 15th May 1920, owing us a balance of expenses of $287.52. The balance of $200 shown in your report for the Fiscal Year 1922-23, Page Z-57, against our Saskatoon office, is properly chargeable to Mr. Reynolds. Immediately after his resignation, we tried to collect the amount from him and in following up the matter, found he owned some patented land against which we registered a claim. After the land had been inspected, we found the encumbrances against it amounted to a great deal more than the value of the land and as our claim against it was worthless, we withdrew it. We have not been able to recover anything from him and have not his present address.

Yours truly,

JOHN BARNETT, *Chairman.*

Crédit 284, Avances aux soldats-colons: Paiement d'un billet privilégié dû sur une lieuse achetée pour un soldat-colon

BUREAU DE L'AUDITEUR GÉNÉRAL, le 20 septembre 1924.

MONSIEUR, — Dans l'état des dépenses contingentes pour le mois de novembre 1923, transmis par votre surintendant de district à Winnipeg, je découvre que l'on a payé $60 à la *Cockshutt Plow Co., Ltd.,* à titre de solde dû sur une lieuse vendue à C. D. Buckland.

D'après les documents soumis pour justifier ce paiement, il appert qu'au cours du mois d'août 1922, l'on a acheté une lieuse d'occasion, de R. McInnis, de Grand-View, à raison de $150, et l'on a porté cette somme au débit du compte d'emprunt du soldat-colon C. D. Buckland. Un an plus tard, on découvrit que la *Cockshutt Plow Co., Ltd.* détenait un billet privilégié de $60 constituant une hypothèque sur cette machine. Le surintendant de votre division des Archives et de la Surveillance des prêts autorisa ce paiement afin que M. Buckland put rester en possession de la lieuse, M. McInnis, le vendeur, ayant quitté le pays.

Comme c'est la politique courante dans l'Ouest de vendre les machines agricoles à terme, ou pour des billets privilégiés, je désirerais savoir pourquoi l'on ne s'est pas assuré que la lieuse en question était libre de toute hypothèque quand on a fait les négociations qui ont abouti à l'achat.

WM. KEARNS, *Auditeur général adjoint.*

Au président de la Commission d'Etablissement des Soldats.

COMMISSION D'ETABLISSEMENT DES SOLDATS, 27 septembre 1924.

CHER MONSIEUR, — J'ai reçu votre lettre du 20 septembre concernant un item de $60, apparaissant dans notre état des dépenses contingentes pour le mois de novembre, et constituant le solde du prix d'achat d'une lieuse vendue au soldat-colon Charles D. Buckland.

Relativement à cette question, il ne faut pas oublier que les anciens soldats ne sont pas appelés à payer les frais d'administration s'appliquant à leurs emprunts. Lors de l'adoption de la loi, il a été déterminé que tous les frais légaux, y compris les recherches, etc., sont à la charge du ministère, à cause de la nature de ce travail, qui est analogue au rétablissement.

La Commission a acheté un très grand nombre de machines d'occasion pour les colons. S'il fallait procéder à la recherche des titres, il ne suffirait pas de se borner au district où demeure le dernier vendeur, ou au district où la machine se trouve au moment de la vente, mais il faudrait faire des recherches dans tous les districts par où la machine aurait pu passer. Dans quelques provinces, il faudrait alors faire des recherches dans cinq ou six districts, et même davantage.

Les colons qui achètent des instruments aratoires ou du bétail au moment de leur établissement en ont généralement un besoin immédiat. S'il fallait différer le paiement jusqu'à ce que les recherches aient été faites, le colon ne pourrait obtenir la machine qu'il désire avant un temps assez long et il se trouverait parfois dans l'impossibilité de procéder aux travaux agricoles de toute une saison. D'autre part, quand il s'agit de machines ou de bétail de peu de valeur, le coût des recherches dépasserait souvent le prix de la machine ou de l'animal.

La Commission a étudié cette question en 1919 et en est venue à la conclusion qu'il est en définitive moins coûteux de risquer occasionnellement quelques pertes que de payer le coût des recherches dans chaque cas. Elle a aussi conclu qu'il est impossible de rechercher les titres de tous les objets mobiliers,

si l'on veut s'occuper activement de la colonisation. Avec l'aide de son aviseur légal, elle a préparé une formule de commande (formule 67A), dont une copie est ci-incluse) sur laquelle elle compte, ainsi que sur la compétence et le jugement de ses surintendants de district, pour se préserver des pertes. Au cours des six dernières années, nous avons acheté 55,356 chevaux, 88,941 têtes de bétail et des machines d'occasion ayant une valeur d'environ trois millions de dollars et nous n'avons éprouvé de difficultés que dans une dizaine de cas, ce qui prouve que les précautions prises ont été suffisantes. Les frais des recherches de titres de propriété auraient été cent fois plus élevés que les pertes subies.

Il faut aussi tenir compte du fait que l'enregistrement des billets privilégiés n'existe pas dans plusieurs provinces, où l'acheteur doit se protéger lui-même. Ce cas s'est présenté au Manitoba, où l'on n'enregistre pas les billets privilégiés et, par conséquent, il eût été impossible de procéder à des recherches.

Votre humble serviteur,

JOHN BARNETT, *président.*

Crédit 284, Avances aux soldats-colons: Soldes d'avances non dépensées

BUREAU DE L'AUDITEUR GÉNÉRAL, le 14 octobre 1924.

MONSIEUR,—Parmi les soldes d'avances non réglées au 31 mars, les cas suivants ont été reportés de l'exercice 1922-23, c'est-à-dire qu'ils n'avaient pas été réglés le 31 mars 1923:

A. M. Black, Saskatoon	$ 29 00
A. H. Cutten, Halifax	179 45
A. B. Cutting, Ottawa	97 89
E. T. Goldsmith, Sherbrooke	16 54
D. Hart, Saskatoon	14 90
L. J. Hurst, Calgary	25 02
C. W. Living, Calgary	32 91
C. W. Marshall, Winnipeg	72 72
N. Nicholson, Calgary	12 72
F. Palmer, Winnipeg	3 00
B. E. Patterson, Ottawa	201 13
F. A. Rowlandson, Regina	466 51
A. F. Simpson, Saskatoon	62 35
G. E. Stirtan, Vancouver	153 20
Bureau du district de Montréal	26 26

Le 31 mars 1923, E. J. Reynolds, de Saskatoon, avait à son débit un solde de $87.52; le 31 mars 1924, ce chiffre s'était élevé à $287.52, ce qui semblerait être la somme reportée de l'exercice précédent et à laquelle on a ajouté une autre avance de $200.

Je vous demanderai de me fournir un rapport couvrant chacun de ces cas et expliquant pourquoi les soldes mentionnés n'avaient pas encore été remboursés le 31 mars dernier.

WM. KEARNS, *Auditeur général adjoint.*

Au président de la Commission d'établissement des soldats.

COMMISSION D'ÉTABLISSEMENT DES SOLDATS, le 3 novembre 1924.

MONSIEUR,—En réponse à votre lettre du 14 courant dans laquelle vous demandez un rapport sur les balances dont on n'avait rendu aucun compte à la fin de l'exercice 1922-23, permettez-moi de présenter les explications suivantes:—

A. M. BLACK, Saskatoon, $29.00: M. Black, autrefois surveillant de campagne dans le district de Saskatoon, démissionna le 30 septembre 1920. La balance à recouvrer représentait des articles biffés de son compte de dépenses de subsistance alors qu'il était à son bureau. Au mois d'avril 1921, nous priâmes le ministère de la Justice de recouvrer la somme, si possible, sans recourir aux tribunaux. En réponse au ministère il présenta une contre-réclamation de $150.00, qu'il prétendit lui revenir pour des frais effectués pour le compte de l'Etat et que l'on refusa de reconnaître. Vu la modicité de la somme et l'incertitude quant à la justesse de sa réclamation, nous n'avons pas cru devoir insister davantage.

A. H. CUTTEN, Halifax, $179.45: M. Cutten était inspecteur agricole dans la Nouvelle-Ecosse en 1919-20. A son renvoi, il lui restait en main la balance précitée des avances pour débours. Nous lui demandâmes de rembourser cette somme; mais il présenta une contre-réclamation à titre de salaire, prétendant même qu'il lui était due une somme plus élevée. Nous n'avons pas encore réussi à régler ce compte. Nous n'avons pas admis sa réclamation, mais, attendu qu'il a pu y avoir malentendu lors de sa nomination, nous n'avons pas eu recours aux tribunaux et, jusqu'à présent, nous n'avons pu en venir à un règlement satisfaisant.

A. B. CUTTING, Ottawa, $97.89: M. Cutting était un fonctionnaire du bureau chef à qui on avança une somme pour frais de voyage en 1919. Lors de sa démission, au mois d'octobre de la même année, il lui restait à rendre compte d'une balance de $450. Ses chèques pour salaire et indemnité furent retenus en attendant son compte de dépenses; ses chèques ne lui furent jamais remis et on les porta au crédit de son compte de dépenses. Il reste encore la balance précitée. Lors de sa démission il promit de rembourser la balance, et nous avons fait l'impossible pour en obtenir le recouvrement, mais il était sans le sou. Nous lui écrivîmes, la dernière fois, au mois de janvier 1922; nous n'avons pas reçu de réponse à cette lettre. Nous ignorons sa présente adresse.

E. T. GOLDSMITH, Sherbrooke, $16.54: M. Goldsmith fut démis de ses fonctions de surveillant de campagne à Sherbrooke le 7 juin 1920. Lors de son renvoi, il nous devait la balance précitée. Belleville est sa dernière adresse connue; nous lui avons écrit plusieurs fois sans recevoir de réponse. Le 12 avril 1921, nous demandâmes au ministère de la Justice de lui écrire pour lui ordonner le remboursement de cette somme; le ministère ne reçut aucune réponse à sa lettre. Vu la modicité de la somme, il ne fut pas jugé opportun de le poursuivre. Nous ignorons son domicile actuel.

D. HART, Saskatoon, $14.90: M. Hart était inspecteur dans le district de Saskatoon; il fut démis au printemps de 1920. La somme de $14.90 représente la balance des avances faites par la commission et dont il n'avait pas rendu compte lors de son renvoi. Le ministère de la Justice fut prié en 1920 de recouvrer la somme, mais il n'y réussit pas. Il s'est récemment établi sur une terre et la somme à son débit sera recouvrée quant il fera son premier versement.

L. H. HURST, Calgary, $25.02: M. Hurst, qui était inspecteur des terres à Calgary, démissionna le 15 septembre 1920; il nous devait alors la balance précitée sur les avances faites pour couvrir ses dépenses. Après avoir vainement tenté de recouvrer la somme, au mois de février 1921, nous demandâmes, au ministère de la Justice de prendre des mesures pour en obtenir le remboursement, mais aucune poursuite ne fut intentée, vu qu'il se trouvait dans des difficultés financières et qu'un jugement en notre faveur aurait été sans valeur et n'aurait fait qu'ajouter à nos frais.

C. W. Living, Calgary, $32.91: M. Living employé en qualité d'inspecteur des terres à Calgary, démissionna le 6 août 1920, alors qu'il nous devait la somme précitée sur les avances faites pour couvrir ses frais. Lorsqu'il démissionna il promit de rembourser cette somme et, le 11 janvier 1921, le compte fut confié au ministère de la Justice. Le ministère lui écrivit, mais la lettre fut retournée, et nous ignorons son adresse depuis 1921.

C. W. Marshall, Winnipeg, $72.72: M. Marshall, surveillant de campagne à Winnipeg, démissionna le 19 avril 1920; il nous devait alors la somme précitée sur les avances faites par la succursale de Winnipeg à même le compte des dépenses imprévues. Nous obtînmes jugement en notre faveur et nous tentâmes de recouvrer la somme en faisant deux fois effectuer une saisie-arrêt, mais sans résultat. Nous ignorons son adresse depuis 1921.

N. Nicholson, Calgary, $12.72: M. Nicholson, employé en qualité d'inspecteur des terres à Calgary, fut démis le 31 mars 1920; il nous devait la balance précitée sur les avances faites pour couvrir ses dépenses. Nous lui écrivîmes plusieurs fois lui demandant de rembourser cette somme, mais, vu la modicité du montant et vu qu'il prétendit que nous lui devions au delà de $200 pour des articles biffés de son compte et vu qu'il invoquait l'injustice de son renvoi, etc., nous n'avons pas cru devoir recourir aux tribunaux.

F. Palmer, Winnipeg, $3.00: Cette somme fut versée par M. Palmer, un de nos surveillants de campagne à Winnipeg, pour payer le transport d'un semoir et elle fut portée à son compte de dépenses du mois de mars 1921. Vu que le transport était imputable à W. T. Ayres, vente de district, Winnipeg, n° 33, l'article fut biffé par le bureau chef. Notre succursale de Winnipeg régla le cas, par une entrée au journal, débitant le compte du bétail et du matériel du colon et créditant les comptes transmis à Ottawa; nous complétâmes les entrées en débitant la succursale de Winnipeg et en créditant M. Palmer de la somme. Il fut tenu compte de l'article lors de la mise au point du compte des prêts pour l'exercice 1921-22.

B. E. Paterson, Ottawa, $201.13: Lors de la démission de M. Paterson de son poste de directeur des terres et prêts, ce dernier nous devait cette somme sur les avances faites pour couvrir ses dépenses. Nous avons ouvert une correspondance avec lui, mais sans réussir à régler l'affaire. Nous continuons nos démarches pour opérer le recouvrement.

F. A. Rowlandson, Regina, $466.51: M. Rowlandson fut démis de ses fonctions d'inspecteur des terres à Regina en 1920. Il n'avait pas rendu compte de la balance précitée sur les avances faites pour couvrir ses dépenses. Immédiatement nous lui demandâmes de rembourser la somme; il nous envoya son dernier compte de dépenses le 2 octobre 1920. Il nous promit de rembourser la balance. Nous n'avons pas reçu de nouvelles de lui depuis. En novembre 1920, notre surintendant régional de Regina nous fit rapport qu'il avait appris d'amis de M. Rowlandson que ce dernier agissait d'une façon excentrique. Il le localisa à Winnipeg en 1921, mais il était insolvable, et nous jugâmes inutile de faire d'autres démarches.

A. F. Simpson, Saskatoon, $62.35: M. Simpson, autrefois inspecteur des terres à Saskatoon, résigna son poste le 30 juin 1920; il nous devait alors la balance susindiquée sur les avances faites pour couvrir ses dépenses. Nous lui écrivîmes plusieurs fois lui demandant remboursement, mais sans recevoir de réponse. Nous priâmes le ministère de la Justice d'entamer des démarches pour recouvrer la somme. A la suite d'une enquête qui révéla qu'il y avait contre lui des jugements au montant de plusieurs milliers de dollars, les procédures furent discontinuées. Nous ignorons sa présente adresse.

G. E. Stirtan, Vancouver, $153.20: Lors du renvoi de M. Stirtan, évaluateur de terres, au mois d'avril 1920, notre succursale de Vancouver lui paya un mois de salaire de trop, soit $150. Environ un mois plus tard, l'erreur fut cons-

tatée et on lui demanda le remboursement. Il ne contesta pas la réclamation, mais il déclara qu'il pouvait à peine pourvoir aux besoins de sa famille à l'époque. La question fut référée au ministère de la Justice, mais une enquête plus minutieuse révéla qu'il était insolvable et qu'il serait inutile d'obtenir un jugement contre lui. Nous ignorons son adresse depuis 1921. Les $3.20 dont il est débité ne lui sont pas réellement imputable, mais cela représente un plus-payé de notre division d'enseignement agricole de Vancouver effectué en 1921. La somme n'est pas recouvrable.

SUCCURSALE DE MONTRÉAL, $26.26: Cela est une balance reportée de l'exercice 1920-1921. Lors de la fermeture de notre succursale de Montréal il y avait en souffrance sur les avances pour dépenses imprévues la balance précitée. Cette succursale fonctionna un an ou deux au début de nos travaux, et, pendant ce temps, plusieurs fonctionnaires passèrent à la comptabilité. Lors de la fermeture de la succursale nous demandâmes à M. Campbell, comptable à l'époque, de rembourser la somme, mais il déclara qu'il n'était pas responsable de cette somme et refusa de la rembourser. Nous n'avons pas jugé la somme suffisamment importante pour justifier les frais d'une enquête pour trouver le fonctionnaire responsable.

E. J. REYNOLDS, Saskatoon, $287.52: M. Reynolds était surveillant de campagne à Saskatoon et résigna son poste le 15 mai 1920; il nous devait alors une balance de $287.52 sur les avances faites par la commission. La balance de $200 débitée, dans votre rapport pour l'exercice 1922-23, à la succursale de Saskatoon est réellement imputable à M. Reynolds. Immédiatement après sa démission nous essayâmes de recouvrer la somme. En examinant la question nous constatâmes qu'il était propriétaire d'une terre brevetée et nous enregistrâmes notre réclamation contre sa terre. L'examen du titre révéla que les charges dont la terre était grevée excédaient de beaucoup la valeur de la terre. Comme notre réclamation était sans valeur, nous y renonçâmes. Il nous a été impossible de recouvrer aucune partie de la somme et nous ignorons son adresse actuelle.

Agréez l'expression de mes salutations empressées,

JOHN BARNETT, *président.*

Vote 581—Construction of Elevator at Edmonton; Advance for Construction of Water Main to Elevator

AUDITOR GENERAL'S OFFICE, September 5, 1924.

SIR, — In examining the vouchers forwarded to me for examination in support of expenditure in connection with the construction of the Edmonton Elevator, I find that cheque 10,991, dated December 27th, 1923 for $4,000 was issued under your Letter of Credit in favour of the City of Edmonton, being " an advance deposit for construction of water main to proposed grain elevator."

According to vouchers submitted to me on August 18 for audit the total cost of the work in question was $343.80.

I shall be obliged if you will let me know the authority under which you made an advance of $4,000 to the City of Edmonton for this purpose.

I am aware that the amount of the advance has been refunded recently.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

Deputy Minister, Trade and Commerce.

DEPARTMENT OF TRADE AND COMMERCE, September 6, 1924.

DEAR SIR, — Answering your letter of the 5th instant regarding the advance to the City of Edmonton, for the purpose of constructing the water main to the Edmonton Grain Elevator, I should say that on being advised by the Engineer in charge of the construction of this Elevator that to enable the City of Edmonton to construct the water main when required, it would be necessary for the Government to finance the City to the extent of $4,000, as the City had no funds with which to construct the water main extension until some of their debentures were sold, and owing to the need of having this work done immediately, the Department took what was considered the best means of accomplishing this, by advancing to the City the amount asked for.

In this connection, I might add that the City of Edmonton has refunded $3,656.20 so that the water main only cost the Department $343.80.

Yours truly,

F. C. T. O'HARA, *D.M.*

The Assistant Auditor General.

Votes 363 and 573—Administration of Canada Grain Act; Approval of Elevator Accounts by the Board of Grain Commissioners

DEPARTMENT OF TRADE AND COMMERCE, August 22, 1924.

DEAR SIR, — The Department noticed that certain Canadian Government Elevator accounts were being received with the certification only of the General Manager of Elevators, Mr. R. Hetherington; and wrote to the Board of Grain Commissioners under date of August 15th as follows: —

> " I have your letter of August the 13th, File 504, with regard to the Canadian Government Elevator accounts, and I do not understand why the Board should desire to avoid approving of Canadian Government Elevator Accounts.

"The Board of Grain Commissioners are responsible for the Government elevators, and it would be highly improper, according to the views of the Auditor General, that the Board of Grain Commissioners should be left in the position to say that they knew nothing about the accounts. It is therefore desirable that the accounts should be approved of in the name of the Board before being submitted to the Department. It will thus enable the Board to have a better knowledge of the expenses, and at times the Board may be in a position to suggest economies which it is not possible for the Department to do so far away."

In quoting the alleged view of the Auditor General I was speaking very generally. We have now received the following letter from the Board of Grain Commissioners in reply, dated August 18th:—

"In reply to your letter of the 15th inst., your File No. 29363, I am directed to advise that the Board does not wish to avoid approving of Canadian Government Elevator accounts. You will readily understand that such items as freight, inspection, weighing and other charges against grain must be paid immediately on receipt of the accounts covering such services from the Railway Company. It is such accounts as these that the Board feels should be accepted with the certification of the General Manager.

"If, however, it is the desire of the Auditor General to have accounts for refund of all monies paid by the Canadian Government Elevator Office first approved by the Board, kindly advise and the Board will be glad to carry out your wishes in the matter."

Will you kindly let me have your views upon the subject?

Yours truly,

F. C. O'HARA, *D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, August 23, 1924.

SIR,—I am in receipt of your letter of the 22nd instant, in which reference is made to certain correspondence between your Department and the Board of Grain Commissioners, relating to the certification of accounts submitted by the Canadian Government Elevators, and requesting my views on the matter.

Section 13, sub-section 2 of the Canada Grain Act provides that the Board of Grain Commissioners shall be charged with the operation and management of any terminal elevator, and thus is rendered responsible for all accounts in connection therewith.

I am, therefore, of opinion that not only should all accounts in connection with the Canadian Government Elevators be certified by the officer under whose special charge they are operated, as provided by Section 45 of the Consolidated Revenue and Audit Act, but that they should also be approved by the Board of Grain Commissioners, before being submitted to the Department.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Department of Trade and Commerce.

Revenue: Rental of Storage Space in Government Elevator, Port Arthur

DEPARTMENT OF TRADE AND COMMERCE, January 10, 1924.

DEAR SIR, — As requested, a few days ago, by telephone, I am enclosing copies of agreement entered into between the Canadian Government Elevators and W. H. Dwyer, Limited, dated September 15, 1920 and November 15, 1921.

Yours truly,

H. B. BORBRIDGE, *Chief Accountant.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, January 11, 1924.

SIR,—Referring to your letter of the 10th instant enclosing copies of an agreement with W. H. Dwyer, Limited, for storage in the Government Elevator at Port Arthur at the rate of $1,800 per annum from September 15, 1920 and $6,000 per annum from November 15, 1921, please let me know under which heading in your monthly returns of revenue have the monthly payments made by W. H. Dwyer, Limited, been entered.

It seems to me these monthly payments should have been specially entered on your revenue statements and I shall be obliged if you let me know how I may now trace them.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Accountant, Department of Trade and Commerce.

DEPARTMENT OF TRADE AND COMMERCE, January 14, 1924.

DEAR SIR, — Replying to your letter of the 11th inst., inquiring under which heading, in our monthly returns of revenue, the monthly payments made by W. H. Dwyer, Limited were entered, I have to say that the return we received from the Chief Accountant of the Elevators only shows the revenue under the different headings.

The monthly payments made by private concerns have, for some years past, been audited by a firm of Chartered Accountants, and in this connection, I would draw your attention to a statement of the Elevators audited by Messrs. Millar, MacDonald & Company, Chartered Accountants of Winnipeg, and sent to you by the Deputy Minister on the 17th of December last.

I am enclosing, for your information, the October Statement of the Port Arthur Elevator showing the revenue collected as $35,185.33 and Refunds of Expenditure, $338,380.48; also two duplicates of the deposit receipts covering these amounts, which I would request you to kindly return when they have served your purpose.

If you think it is necessary that the Elevators should supply all the detailed information regarding the transactions with private firms, will you kindly advise and steps will be taken to have this done.

Yours truly,

H. B. BORBRIDGE, *Chief Accountant.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, January 22, 1924.

SIR,—Referring to your letters of recent dates respecting payment of storage space at Port Arthur Elevator by W. H. Dwyer, I am of opinion that as the space rented under contract is for an approximate bushel capacity, the payments made should be shown separate from general storage on your monthly returns.

I presume Mr. Dwyer is liable for the amount in his contract whether he keeps the space allotted to him filled with grain or only partially so.

If there are other similar cases, separate entries should also be made.

You will notice that the contract, copy of which you have sent me, expires on November 15, 1922. Has a fresh contract been entered into subsequent to that date?

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Accountant, Department of Trade and Commerce.

DEPARTMENT OF TRADE AND COMMERCE, January 29, 1924.

DEAR SIR, — Replying to your letter of the 22nd inst., regarding storage charges for wheat stored in the Canadian Government Elevators, I have to say that a copy of your letter has been sent to the Board of Grain Commissioners, with a resquest to divide the revenue for storage, showing the amount received from rent of bins and the amount received from storage charged for wheat in bulk.

We have also asked for copy of all contracts still in force and that we be supplied with any new contracts made so that we may properly check up the revenue received.

Yours truly,

H. B. BORBRIDGE, *Chief Accountant.*

The Assistant Auditor General.

DEPARTMENT OF TRADE AND COMMERCE, February 8, 1924.

DEAR SIR, — I beg to enclose copies of contracts entered into between the Canadian Government Elevators and W. H. Dwyer & Company covering storage space in the Port Arthur elevator, and the McMillan Grain Co. Ltd., covering storage space in the Saskatoon elevator.

The General Manager of the Canadian Government Elevators advises that separate entries will be made on their statements covering storage charges collected under these or any similar contracts which may be entered into.

Yours truly,

JAS. G. PARMELEE, *Act. D.M.*

The Auditor General.

Sub-sec. 3, Sec. 2, Chap. 15, 12-13 Geo. V; Unexpended Appropriation balances of a fiscal year not applicable to the claims of succeeding fiscal year

Department of Trade and Commerce, March 26, 1924.

Dear Sir, — Will you kindly let me know if Section 2 of Chapter 15 of the Statute 12-13, George V, assented to June 28th, 1922, is intended to mean that when an unexpended balance of this year, for which no vote is provided in the new year, is transferred to the new year by Order in Council, as provided in paragraph 3 of this Act, is it intended to pay only for expenditures which have been incurred up to and including March 31st, or may payments be made from the amount transferred for expenditures which have been incurred from and including April 1st?

Yours truly,

JAS. G. PARMELEE, *Acting D.M.*

The Auditor General, Ottawa.

Auditor General's Office, March 27, 1924.

Sir,—With reference to your letter of the 26th instant enquiring as to the effect of Sub-section 3 of Section 2 of the Act of 1922 (12-13 George V, Chap. 15), being an Act amending the Consolidated Revenue and Audit Act, on the unexpended balances on March 31st, I beg to say that balances of appropriations on that date against which no cheques were drawn before the end of the fiscal year will lapse and be written off, provided that in case of any debt properly incurred within the year and payment for which is then outstanding the Governor in Council may direct that a new credit may issue for the purpose of charging the amount due to the old year if there is no appropriation in the new year to which the amount involved may be paid. The unexepnded balances of 1923-24 may not, under any circumstances, be made applicable to claims or services of the succeeding fiscal year.

Yours truly,

Wm. KEARNS, *Asst. A.G.*

The Acting Deputy Minister, Department of Trade and Commerce.

Votes 363 and 573: Administration of Canada Grain Act; Expenditure incurred in 1923-24 and charged to Appropriation provided for 1924-25

Auditor General's Office, November 21, 1924.

Sir,—In examining the vouchers in support of expenditure in connection with the appropriation, Administration of the Canada Grain Act for the fiscal year 1923-24, I find that certain payments for expenditure incurred during the fiscal year 1923-24 amounting to $64,917.67 were paid from the appropriation,

Administration of Canada Grain Act provided for the fiscal year 1924-25. These payments are as follows: —

1924-25, Cheque	79A	$ 175 80
" "	80A	145 57
" "	115A	1,165 84
" "	163A	592 05
" "	165A	49,328 78
" "	267A	370 64
" "	313A	7,815 41
" "	314A	5,323 58
Total		$ 64,917 67

I presume this course was rendered necessary by faulty estimates, sufficient amount not having been provided for the expenditure coming in course of payment during the fiscal year.

As you are no doubt aware the Auditor General, under Section 61 of the Consolidated Revenue and Audit Act, is directed to call attention to any payment that did not occur within the period of the account. You will see from this provision of the Statute that the Department should be careful to submit adequate estimates for the expenditure of the year to which they relate. In the present instance had the whole expenditure been charged to the fiscal year in which it occurred the appropriation for the expenditure under the Canada Grain Act would have been overdrawn to the extent of $55,759.73.

A similar course was taken with regard to the appropriation for the fiscal year 1922-23 and it seems to me the necessary precaution should be taken to avoid this irregular practice in future.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Trade and Commerce, Ottawa.

Department of Trade and Commerce, November 25, 1924.

Dear Sir, — I have your letter of November the 21st, and beg to state that the Accountant informs me that a number of cheques for 1923-24 expenditures were issued in 1924-25. This was owing to the fact that instructions had been received from the Finance Department to close our books on the 31st day of March. It is quite obvious that accounts for expenditures incurred and paid up to the last day of March, by the Board of Grain Commissioners and the Elevators, cannot be mailed to reach this office and cheque be issued in payment of same also on the 31st of March. It is also quite true that had the cheques been issued in 1923-24 we would have had an over-expenditure of some $55,000.

The reason for this is that at the first of each year we deplete our appropriation by issuing cheques which are used to refund the previous year's advances; this leaves us with about enough for eleven months' expenditure. with which we are expected to carry on for the full year. The money thus diverted is not refunded until the following year's appropriation is reduced to make the refund. This procedure has been going on for years.

If the time for closing the books was extended from the 31st March to the 15th May, our accounts for March expenditure would, with the possible exception of a few Trade Commissioners' accounts, all be charged to the year to which they belong.

In order to overcome the difficulty, it would be necessary to increase our estimates by the amount of the advances which it is necessary that we make each year. The matter was submitted to the Minister, but we were informed that for the present at least, we were not to increase our estimates. We shall be glad to take the matter up, however, next year, and see if your suggestion may be complied with.

Yours truly,

(Signed) F. C. T. O'HARA, *D.M.*

The Assistant Auditor General.

Crédit 581—Construction d'un élévateur à Edmonton; Avance pour la construction d'une conduite d'eau jusqu'à l'élévateur

Bureau de l'Auditeur général, 5 septembre 1924.

Monsieur, — En examinant les pièces justificatives soumises à mon examen au sujet de la dépense relative à la construction de l'élévateur d'Edmonton, je constate que le chèque 10,991, en date du 27 décembre 1923, au montant de $4,000, a été émis en vertu de votre lettre de crédit en faveur de la ville d'Edmonton, à titre d'avance déposée en vue de la construction d'une conduite d'eau jusqu'à l'élévateur projeté.

D'après les pièces justificatives qui m'ont été soumises le 18 août, le coût total des travaux dont il s'agit a été de $343.80.

Vous m'obligeriez beaucoup en m'informant de l'autorité en vertu de laquelle vous avez fait une avance de $4,000 à la ville d'Edmonton à cette fin.

Je sais que la somme avancée a été remboursée récemment.

Je suis, monsieur, votre obéissant serviteur,

Wm. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère du Commerce.

Ministère du Commerce, le 6 septembre 1924.

Cher monsieur, — En réponse à votre lettre du 5 courant au sujet de l'avance faite à la ville d'Edmonton en vue de la construction d'une conduite d'eau pour l'élévateur de cette ville, je dois dire ceci: L'ingénieur chargé de la construction de cet élévateur nous ayant informé que, pour permettre à la ville d'Edmonton de construire la conduite d'eau au temps requis, il faudrait que le gouvernement fournisse à la ville la somme de $4,000, vu que celle-ci n'aurait pas de fonds pour construire ce prolongement tant qu'elle n'aurait pas vendu quelques-unes de ses obligations; et vu la nécessité de faire exécuter ces travaux immédiatement, le département a pris le moyen qui lui a paru le meilleur pour atteindre cette fin: l'avance à la ville de la somme demandée.

Je dois ajouter que la ville d'Edmonton a remboursé $3,656.20, de sorte que la conduite d'eau ne coûte au ministère que $343.80.

Votre tout dévoué,

F. C. T. O'HARA, *S.-M.*

L'Auditeur général adjoint.

Crédits 363 et 573—Administration de la loi des grains du Canada; Approbation des comptes des élévateurs par la Commission des grains

MINISTÈRE DU COMMERCE, 22 août 1924.

CHER MONSIEUR,—Le département a remarqué que certains comptes des élévateurs du gouvernement canadien lui parvenaient sans autre certification que celle du directeur général des élévateurs, M. R. Hetherington. Nous avons écrit à la Commission des grains, à la date du 15 août, la lettre suivante:

"J'ai reçu votre lettre du 13 août, dossier 504, au sujet des comptes des élévateurs de l'Etat, et je ne comprends pas pourquoi la Commission désire éviter d'approuver les comptes des élévateurs de l'Etat.

"La Commission des grains est responsable des élévateurs de l'Etat, et aux yeux de l'Auditeur général il n'est pas admissible que cette Commission soit obligée de dire qu'elle ne connaît rien des comptes. Il est donc à désirer que les comptes reçoivent son approbation avant qu'on les soumette au département. Cela permettra à la Commission de se tenir mieux au courant des dépenses, et parfois de suggérer des moyens d'économiser que le département, trop éloigné, ne serait pas en lieu de trouver".

En citant la soi-disant opinion de l'Auditeur général, je parlais d'une manière très générale. Nous avons reçu de la Commission des grains la lettre suivante, en date du 18 août:

"En réponse à votre lettre du 15 courant, n° 29363 de votre dossier, je suis chargé de vous aviser que la Commission ne désire pas éviter d'approuver les comptes des élévateurs de l'Etat. Vous comprendrez facilement que les frais de transport des marchandises, d'inspection, de pesage du grain et le reste doivent se solder immédiatement à la réception des comptes relatifs à ces services, provenant des compagnies de chemin de fer. Ce sont des comptes qui, de l'avis de la Commission, devraient être acceptés sur la certification du gérant général.

"Mais si l'Auditeur général désire que les comptes de remboursement de toutes les sommes payées par le bureau des élévateurs de l'Etat soient d'abord approuvés par la Commission, veuillez nous en avertir et nous serons heureux de satisfaire votre désir sur ce point.

Voulez-vous avoir l'amabilité de me transmettre votre opinion à ce sujet?

Votre tout dévoué,

F. C. O'HARA, *S.-M.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, 23 août 1924.

CHER MONSIEUR, — J'ai reçu votre lettre du 22 courant, dans laquelle vous me parlez, en me demandant mon opinion, d'une certaine correspondance échangée entre votre département et la Commission des grains, au sujet de la certification des comptes soumis par les élévateurs de l'Etat.

L'article 13, paragraphe 2, de la Loi des grains du Canada veut que la Commission des grains ait charge de l'exploitation et de l'administration de tous les élévateurs de têtes de ligne, et soit par conséquent responsable de tous les comptes s'y rapportant.

Je suis donc d'avis que non seulement tous les comptes relatifs aux élévateurs de l'Etat doivent être certifiés par le fonctionnaire qui en a la charge, tel que l'exige l'article 45 de la Loi du revenu consolidé et de l'audition, mais aussi qu'ils doivent être approuvés par la Commission des grains avant d'être soumis au département.

Votre tout dévoué,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère du Commerce.

Revenu: Location d'espace dans l'élévateur de l'Etat, Port-Arthur

MINISTÈRE DU COMMERCE, le 10 janvier 1924.

MONSIEUR, — Tel que vous me l'avez demandé par téléphone, il y a quelques jours, je vous envoie des copies de l'entente intervenue entre les élévateurs de l'Etat et W. H. Dwyer, Ltd., le 15 septembre 1920 et le 15 novembre 1921.

Agréez, monsieur, mes salutations empressées,

H. B. BORBRIDGE, *comptable en chef.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 11 janvier 1924.

MONSIEUR, — Relativement à votre lettre du 10 courant accompagnée de copies de l'entente intervenue avec W. H. Dwyer, Limited, au sujet de la location d'espace dans l'élévateur de l'Etat à Port-Arthur au prix de $1,800 par année à partir du 15 septembre 1920 et de $6,000 par année depuis le 15 novembre 1921, veuillez, s'il vous plaît, me dire sous quel chapitre de vos rapports mensuels figurent les versements mensuels effectués par D. H. Dwyer, Limited?

Il me semble que ces versements mensuels devraient faire l'objet d'une entrée spéciale dans votre compte de recettes, et je vous serais obligé si vous me disiez comment je pourrais les retracer.

Agréez l'hommage de mes sentiments distingués,

WM. KEARNS, *A.G. adjoint.*

Le comptable, ministère du Commerce.

MINISTÈRE DU COMMERCE, le 14 janvier 1924.

MONSIEUR, — En réponse à votre lettre du 11 courant, dans laquelle vous me demandez sous quel chapitre de nos rapports mensuels figurent les versements effectués par W. H. Dwyer, Limited, je dois dire que le rapport que nous avons reçu du comptable en chef n'indique que la recette des différents chapitres.

Depuis quelques années les versements mensuels effectués par des entreprises privées ont été contrôlés par une maison de comptables licenciés. Je vous ferai remarquer que le sous-ministre vous a dressé le 17 décembre dernier un état des élévateurs vérifié par MM. Millar, MacDonald et Cie, comptables licenciés de Winnipeg.

Pour votre information, je vous envoie l'état de l'élévateur de Port-Arthur pour le mois d'octobre, lequel indique que la recette fut de $35,185.33 et que le remboursement des dépenses fut de $338,380.48: je vous adresse également deux duplicata des reçus de dépôt couvrant ces sommes. Je vous prie de les retourner quand vous en aurez pris connaissance.

Si vous jugez nécessaire que les élévateurs fournissent des rapports détaillés sur leurs transactions avec les entreprises privées, veuillez m'en informer, et nous prendrons les mesures nécessaires pour que la chose se fasse.

Agréez l'expression de ma haute considération,

H. B. BORBRIDGE, *comptable en chef.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 22 janvier 1924.

MONSIEUR, — Référant à vos lettres récentes au sujet du paiement du prix de location d'espace à l'élévateur de Port-Arthur par W. H. Dwyer, je suis d'avis que, vu que l'espace loué au terme d'un contrat comporte une capacité approximative, vos rapports mensuels devraient indiquer les recettes de cette source séparément des recettes d'entreposage général.

J'imagine que M. Dwyer est responsable du loyer de tout l'espace mentionné au contrat, qu'il remplisse de grain tout cet espace ou une partie seulement.

S'il y a d'autres cas semblables, on devrait aussi en faire des entrées séparées.

Vous constaterez que le contrat dont vous m'avez envoyé une copie expire le 15 novembre 1922. A-t-on fait un nouveau contrat depuis cette date?

Acceptez mes salutations empressées

WM. KEARNS, *A.G. adjoint.*

Le comptable, ministère du Commerce.

MINISTÈRE DU COMMERCE, le 29 janvier 1924.

MONSIEUR, — En réponse à votre lettre du 22 courant au sujet du prix exigé pour l'entreposage du blé dans les élévateurs de l'Etat, permettez-moi de vous annoncer que nous avons adressé copie de votre lettre à la Commission des grains et que nous avons prié cette dernière de répartir la recette provenant de l'entreposage de façon à indiquer la somme représentant le loyer des compartiments et le montant reçu pour l'entreposage du blé en grenier.

Nous lui avons aussi demandé de nous adresser copie de tous les contrats en vigueur ainsi que de tous les contrats futurs, afin que nous puissions contrôler la recette.

Agréez l'expression de mes sentiments distingués.

CHER MONSIEUR, — J'ai l'honneur de vous envoyer ci-inclus copies des contrats conclus entre les élévateurs de l'Etat et la *W. H. Le gérant général des élévateurs de l'Etat m'avertit que des inscriptions spéciales seront faites sur ses états, couvrant les frais d'entreposage perçus en vertu de ces contrats, ou autres contrats semblables que l'on pourra conclure.

Votre tout dévoué,

Paragraphe 3, article 2, chap. 15, 12-13 Georges V; Soldes non dépensés du crédit d'un exercice, non applicables aux réclamations de l'exercice suivant

MINISTÈRE DU COMMERCE, le 26 mars 1924.

CHER MONSIEUR, — Voulez-vous avoir la bonté de me faire savoir si l'interprétation de l'article 2 du chapitre 15 du statut 12-13 Georges V, doit être que, lorsque un solde non dépensé d'un exercice pour lequel il n'a pas été prévu de crédit dans le nouvel exercice, est transporté au nouvel exercice par un arrêté en Conseil, tel que prévu par le paragraphe 2 de cette loi, on a en vue seulement le paiement des déboursés faits jusqu'au 31 mars inclusivement, ou si les paiements peuvent être faits à même le montant transporté relatif aux déboursés qui ont été faits à partir du 1er avril inclusivement.

Bien à vous,

JAS. G. PARMELEE, *S.-M. adjoint.*

A l'Auditeur général, Ottawa, Ont.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 27 mars 1924.

CHER MONSIEUR, — Relativement à votre lettre du 26 courant, dans laquelle vous me demandez quel sera l'effet du paragraphe 3 de l'article 2 de la Loi de 1922 (12-13 George V, chapitre 15), loi modifiant la Loi concernant le revenu consolidé et l'audition, sur les soldes non dépensés au 31 mars, j'ai l'honneur de vous dire que les soldes des crédits à cette date contre lesquels il n'a été tiré aucun chèque avant la fin de l'exercice seront périmés et seront biffés, pourvu que dans le cas de toute dette contractée à bon droit dans le cours de l'exercice et dont le paiement est alors en souffrance, le Gouverneur en Conseil peut enjoindre une nouvelle émission de crédit, dans le but d'imputer le montant dû sur l'ancien exercice, si le nouvel exercice ne contient aucun crédit sur lequel l'on peut imputer le montant en jeu.

Les soldes non dépensés de 1923-24 ne peuvent, en aucune circonstance, s'appliquer aux réclamations ou services de l'exercice suivant.

Bien à vous,

WM. KEARNS, *A.-G. adjoint.*

Crédits 363 et 573: Administration de la Loi des grains du Canada: Dépenses encourues en 1923-24 et imputées sur le crédit de l'exercice 1924-25

BUREAU DE L'AUDITEUR GÉNÉRAL, 21 novemre 1924.

MONSIEUR, — En examinant les pièces justificatives à l'appui des dépenses relatives à l'administration de la Loi des grains du Canada pour l'exercice 1923-24, je trouve que certains paiements pour dépenses encourues pendant l'exercice 1923-24, au montant de $64,917.67, ont été imputés sur le crédit de l'administration de la Loi des grains du Canada pour l'exercice 1924-25. Ces paiements sont comme suit:

1924-25, chèque 79A	$	175 80
" " 80A		145 57
" " 115A		1,165 84
" " 163A		592 05
" " 165A		49,328 78
" " 267A		370 64
" " 313A		7,815 41
" " 314A		5,323 58
Total	$	64,917 67

Je suppose que l'on a été forcé d'en agir ainsi à cause d'une fausse estimation, le crédit voté ne suffisant pas à couvrir les dépenses encourues pendant l'exercice.

Comme vous le savez sans doute, l'article 61 de la Loi du revenu consolidé et de l'audition, oblige l'Auditeur général à attirer l'attention sur tout paiement qui n'est pas fait pendant la période couverte par le compte. Vous verrez, d'après cette disposition du statut, que le ministère, doit voir à soumettre des crédits qui couvriront les dépenses de l'exercice auquel ces crédits se rapportent. Dans le cas actuel, si on avait imputé toutes les dépenses sur l'exercice pendant lequel ces dépenses ont été encourues, le crédit voté pour l'administration de la Loi des grains du Canada aurait eu un découvert de $55,759.73.

La même chose s'est produite pour le crédit de l'exercice 1922-23 et il me semble que l'on devrait prendre les précautions nécessaires afin d'éviter cette pratique irrégulière à l'avenir.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G.*

Le sous-ministre, ministère du Commerce, Ottawa.

MINISTÈRE DU COMMERCE, 25 novembre 1924.

CHER MONSIEUR, — Je vous accuse réception de votre lettre du 21 novembre et en réponse je dois dire que le comptable m'informe qu'un certain nombre de chèques couvrant des dépenses de l'exercice 1923-24 ont été émis au cours de l'exercice suivant, 1924-25. Ceci s'est fait à cause des instructions reçues du ministère des Finances à l'effet que nous devions fermer nos livres au 31 mars. Il est évident que les comptes des dépenses encourues et payées jusqu'au dernier jour de mars, par la Commission des grains et des élévateurs, ne peuvent atteindre ce bureau, et les chèques en paiement de ces comptes être émis, le 31 mars. Il est également vrai que si les chèques avaient été émis au cours de l'exercice 1923-24, nous aurions eu un découvert de quelque $55,000.

Ceci s'explique par le fait que le premier de chaque année nous réduisons nos crédits en émettant des chèques qui servent à couvrir les avances de l'exercice précédent; ceci nous laisse assez d'argent pour les dépenses de onze mois, mais il nous faut couvrir tout l'exercice. L'argent ainsi détourné de ses fins, n'est pas remboursé jusqu'à ce que l'on réduise les crédits de l'exercice suivant pour le remboursement. Cette pratique dure depuis des années.

Si on nous permettait de fermer nos livres le 15 mai au lieu du 31 mars, nos comptes de dépenses de mars, à l'exception peut-être de quelques comptes des Commissaires du commerce, pourraient être chargés à l'exercice auquel ils appartiennent.

Pour faire disparaître cette difficulté, il faudrait augmenter nos crédits d'un montant égal à celui des avances que nous sommes forcés de faire chaque année. On a porté la question à la connaissance du ministre, mais on nous a dit que, pour le présent du moins, nous ne devions pas augmenter nos crédits. Nous nous ferons un plaisir, cependant, de discuter la question l'an prochain, et de voir s'il est possible de se conformer à votre suggestion.

Bien à vous,
